GLENELG PLANNING SCHEME

Notice of Amendment

Amendment C5

The Glenelg Shire Council has prepared Amendment C5 to the Glenelg Planning Scheme.

The Amendment affects all land covered by the Glenelg Planning Scheme.

The Amendment proposes to:

- Amend the Planning Scheme Maps to include the Portland Harbour area partly as a Public Park and Recreation Zone and partly as a Public Use Zone. The Amendment also adjusts the Special Use 4 Zone to accurately indicate the Port of Portland land ownership. The Current Planning Scheme Maps do not indicate zoning for parts of the Portland Harbour area that accurately align with the Municipal boundary. The Harbour Area is proposed to be zoned consistent with the underlying public use and port zonings based on ownership and existing use.

- Amend the Planning Scheme Maps to include five parcels of land adjacent to the Portland Airport as a Rural Zone which is consistent with the underlying zoning. The land included is privately owned and does not form part of the Council Airport land.
 - Amend the Planning Scheme Maps to include land generally bounded by Hurd Street, Tyres Street, the Safeway Car Park and Henty Street Portland as a Business 1 Zone which is consistent with the existing land use patterns and would allow expansion of commercial and car parking uses and developments in this location.
 - Amend the Planning Scheme Maps to include land generally bounded by Henty Highway, Cope Street, Hanlon Parade, Lowe Street and The Dutton Way, Portland as a Residential 1 Zone which is consistent with the existing land use patterns and would allow expansion of residential uses and developments in this location.
 - Amend the Planning Scheme Maps to include land generally bounded by Henty Highway, Princes Highway, The Dutton Way and north of the Maretimo Estate Portland in part as a Residential 1 Zone and in part as a Rural Living Zone which is consistent with the existing land use patterns and would allow expansion of residential uses and developments in this location.
 - Amend the Planning Scheme Maps to delete the Development Plan Overlay controls which are an unnecessary duplication of controls contained elsewhere in the Planning Scheme.
 - Include a revision of the Schedules to the Rural Living Zone to provide for a minimum allotment size of 2 Ha. The current minimum of 4 Ha is limiting development of the zone and the provision of adequate services and infrastructure.
 - Include the Portland Foreshore Master Plan and its subsequent re-evaluation as incorporated reference documents within the Schedule to the Planning Scheme at Clause 36.02. The plan was incorporated in the former Portland Planning Scheme and has been through extensive exhibition and consultation processes.
 - Include a revision of the Schedules to the Heritage Overlay to correct a number of errors and omissions contained in the adopted Planning Scheme.
 - Delete the Development Plan Overlay control contained at Clause 43.04 together with the 6 Schedules associated with that clause contained in the Planning Scheme. The Development Plan Overlay controls are an unnecessary duplication of controls contained elsewhere in the Planning Scheme.
 - Include the Portland Town Centre Study and Car Parking Precinct Plans as incorporated reference documents within the Schedule to the Planning Scheme at Clause 52.06-2. The Amendment also provides a basis for the provision of car parking for new development in the Portland Central Business Area that recognises existing car parking provision within private and public land.

EXEMPTION

Application No. A15 of 2002

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by UnitingCare Ballarat. The application for exemption is to enable the applicant to advertise for and employ from time to time either male or female staff to ensure its clients have equal access to male and female staff.

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ from time to time either male or female staff to ensure its clients have equal access to male and female staff.

In granting this exemption the Tribunal noted:

- The applicant, among other alcohol and drug services, manages a residential youth withdrawal facility "Tabor House".
- Clients need to be able to access both male and female staff for enhanced feelings of comfort and well-being and to assist them to achieve the best outcomes.
- Clients have often experienced childhood physical and/or sexual abuse and commonly request a counsellor of a particular sex.
- There is currently an imbalance of staff with insufficient female staff to meet client needs. This imbalance has varied and may continue to vary from time to time and there is a need to maintain a balance.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ from time to time either male or female staff to ensure its clients have equal access to male and female staff.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 9 February 2005.
