Planning and Environment Act 1987
WHITEHORSE PLANNING SCHEME

Notice of Amendment
Amendment C41

Planning Application WH/12727

The City of Whitehorse has prepared Amendment C41 to the Whitehorse Planning Scheme.

The Amendment has been prepared under Division 5 of Part 4 of the **Planning and Environment Act 1987** to facilitate a combined planning permit and amendment process.

The Amendment relates to whole of the subject land at 14 Federation Street, Box Hill, being the land described in Certificate of Title Volume 6520, Folio 967, which is currently in an Industrial 1 Zone. The Planning Application WH/12727 relates to the north and north-west sections of the subject land.

The Amendment proposes to rezone the subject land at 14 Federation Street, Box Hill, from an Industrial 1 Zone to a Residential 1 Zone.

The subject land is irregular in shape and has a width of 275 metres (approx.) along the northern boundary, a depth of 270 metres (approx.) along the western boundary, with a total site area of 7.035 hectares. The subject land was originally the former Standard Brickworks and associated quarry. The brickworks commenced operation in approximately 1884 and ceased operation in 1988. The land was then used as a landfill between 1990 and August 1999.

The application for Planning Permit WH/12727 proposes to develop the land for the purpose of seventy-nine (79) dwellings, comprising seventy-one (71) two storey dwellings and eight (8) three storey dwellings and the creation of a carriageway easement to Surrey Drive. The car parking spaces allocated within garages and carports for the dwellings and additional visitor spaces along the internal private roads. Access will be from two existing access points via Federation Street and Mont Albert Road extension and a proposed access point from Surrey Drive. An open space area of 2.3 hectares will be provided in the central section of the subject land.

The planning application, proposed development plans and draft planning permit WH/12727 form part of the public exhibition documents.

Two additional planning applications have been submitted to Council for consideration, which are separate proposals to Amendment C41 and Planning Application WH/12727. Planning Application WH/12879 proposes to use the southern section of the subject land as a Place of Worship (community church) and Education Centre. Planning Application WH/12874 proposes a two lot subdivision of the subject land, one lot for the residential development and open space area and the other lot for the community church and education centre.
