BANYULE PLANNING SCHEME

Notice of Amendment to a Planning Scheme

Amendment C35

Banyule City Council has prepared Amendment C35 to the Banyule Planning Scheme. Banyule City Council is the planning authority for the Amendment.

The Amendment proposes to modify the various vegetation protection controls which apply across much of the municipality, to revise and provide for greater consistency between the different permit requirements and permit exemptions for the removal, destruction and lopping of vegetation. In general terms the Amendment will:

- standardise the terminology and format of all vegetation protection controls. This includes ensuring that the permit requirements and exemptions apply to all vegetation and not just trees;
- where appropriate provide for a more standard set of permit exemptions and delete redundant exemptions; and
- place a greater emphasis on the environmental and habitat values of vegetation retention, especially in areas covered by Schedules 3 and 4 to the Vegetation Protection Overlay.

The building and works exemption set out in Schedule 2 to the Environmental Significance Overlay will also be varied to correct a translation error from the old format Planning Scheme and to clarify where it applies.

The proposal will affect all land covered by the following Overlays:

- Schedule 1 to the Environmental Significance Overlay (Yarra River, Plenty River and Darebin Creek);

- Schedule 2 to the Environmental Significance Overlay (Macleod Red Gum Area);
- Schedule 3 to the Environmental Significance Overlay (Sites of Botanical, Zoological, and Habitat Significance);
- Schedule 4 to the Environmental Significance Overlay (Significant Trees and Areas of Vegetation);
- Schedule 5 to the Environmental Significance Overlay (Streeton Views Estate);
- Schedule 1 to the Vegetation Protection Overlay (Plenty River East Area);
- Schedule 2 to the Vegetation Protection Overlay (Loyola Seminary Precinct);
- Schedule 3 to the Vegetation Protection Overlay (Eaglemont, Heidelberg and Ivanhoe Area);
- Schedule 4 to the Vegetation Protection Overlay (Elliston Estate);
- Schedule 1 to the Significant Landscape Overlay (Watercourse Environs).

The Amendment is required to enhance the clarity, consistency and useability of the Banyule Planning Scheme and to ensure that the environmental values of vegetation are given appropriate recognition in all areas where vegetation protection controls apply.

The Amendment can be inspected free of charge during office hours at the Offices of Banyule City Council at: Rosanna Service Centre, 44 Turnham Avenue, Rosanna; Ivanhoe Service Centre, 275 Upper Heidelberg Road, Ivanhoe; Greensborough Service Centre, 9–13 Flintoff Street, Greensborough and Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

**KINGSTON PLANNING SCHEME**

Notice of Amendment

Amendment C36

Who is the Planning Authority?

The Amendment has been prepared by the City of Kingston. The City of Kingston is the planning authority for this Amendment.

What the Amendment does:

The Amendment rezones land at 1486–1550 Centre Road, Clayton South from the Industrial 1 Zone to the Business 3 Zone and applies a Design and Development Overlay and Environmental Audit Overlay. It also rezones two small corner portions of the land to a Road Zone – Category 2.

Land affected by the Amendment

The Amendment applies to land known as 1486–1550 Centre Road, Clayton South which is included in Certificates of Title Volume 9630, Folio 996 and Volume 9678, Folio 903, Plan of Consolidation CP 171915T.

Why the Amendment is required

The subject land was previously used as the Nissan Motor Vehicle Manufacturing Plant and the Industrial 1 Zone provided the necessary statutory framework for the successful operation of the car manufacturing plant.

The departure of Nissan more than a decade ago and recycling of the existing building for the present uses has provided the opportunity to undertake an integrated re-development of this strategically important site, which presently remains under one land holding.

The rezoning of the subject land from an Industrial 1 Zone to a Business 3 Zone will facilitate the property owner's desire to undertake an integrated commercial and industrial development comprising a range of manufacturing, warehouse facilities and office.

Additional planning approval is required for the future use and development of the land.

Where you may inspect this Amendment

The Amendment is available for public inspection, free of charge, during office hours at the following places: City of Kingston, Mentone Customer Service Centre, Brindisi Street, Mentone; Dingley Library, 9B, 79 Centre Dandenong Road, Dingley and Department of Infrastructure, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

#### EXEMPTION

Application No. A380 of 2002

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by Prahran Neighbourhood House Inc (the applicant). The application for exemption is to enable the applicant to advertise for and employ a male youth leader.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male youth leader.

In granting this exemption the Tribunal noted:

- the applicant runs a group called the Eagles Club (the Club) which has male and female members aged from 16 to 25 years and is divided into two groups;

- one of the male leaders has recently

resigned. A new male leader is needed to assist the members.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male youth leader.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 November 2005.

#### EXEMPTION

Application No. A381 of 2002

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by Manningham Community Health Service Inc (the applicant). The application for exemption is to enable the applicant to advertise for and employ a male welfare worker to co-ordinate the Manningham "Men's Shed" run by the applicant.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male welfare worker to co-ordinate the Manningham "Men's Shed" run by the applicant.

In granting this exemption the Tribunal noted:

- the "Men's Shed" is a programme run by the applicant for older, isolated, frail and/or disabled men;
- many of the participants have personal health and hygiene issues that are more appropriately dealt with by a male co-ordinator;
- the applicant wishes to provide the most effective "men friendly" programme it can, and given that enquiries have shown that
  - older men are reluctant to participate in female dominated activities and are under represented in such programmes;
  - activities pursued by men are those typically associated with traditional male interests;

it is considered more appropriate to appoint a male co-ordinator who will also provide an appropriate role model.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male welfare worker to co-ordinate the Manningham "Men's Shed" run by the applicant.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 November 2005.
