 - (b) requires the policy to be issued before any domestic building work is carried out under the contract; and
 - (c) states that no money (including deposit money) is payable under the contract before that policy is issued; and
 - (d) requires the builder to ensure that a copy of the policy is provided to the building owner within 7 days after it is issued.

8. Indemnity for loss

- (1) The policy must indemnify the building owner in respect of loss or damage resulting from noncompletion of the domestic building work.
- (2) The policy must also indemnify the building owner in respect of loss or damage resulting from all or any of the following events—

- (1) The policy must also indemnify the building owner in respect of loss of the deposit (or any part of the deposit) or loss of any progress payment under the insurable domestic building contract.

- (f) if the contract states the particular purpose for which the work is required, or the result which the building owner wishes the work to achieve, so as to show that the building owner relies on the builder's skill and judgment, the builder warrants that the work and any material used in carrying out the work will be reasonably fit for that purpose or will be of such a nature and quality that they might reasonably be expected to achieve that result.

10. Policy to state that indemnity extends to acts or omissions of others

The policy must state that the indemnities referred to in clauses 8 and 9 include an indemnity in respect of the acts or omissions of all persons who were contracted by the builder to perform the domestic building work under the insurable domestic building contract resulting in loss or damage of the kind referred to in clause 8 or 9.

The policy may exclude or limit claims under the policy for money paid to a builder that exceeds the amounts that should have been paid to the builder in accordance with section 11 and (as the case requires) section 40(2) or section 40(3) or section 40(4) of the **Domestic Building Contracts Act 1995**.

15. Builder dies, disappears etc. before work begins

(1) The policy may exclude or limit claims under the policy for non-completion of building work if the death, insolvency or disappearance of the builder occurs before the builder commences on the building site any domestic building work (other than the removal of vegetation) that requires the use of any tools or building materials.

(2) An exclusion or limitation referred to in subclause (1) must be subject to a right of the building owner to recover—

- (1) The policy must indemnify the purchaser under a contract of sale in respect of loss or damage arising from a breach of any warranty implied into the contract by section 137C of the **Building Act 1993**.
- (2) The policy may provide that the indemnity referred to in sub-clause (1) only applies if the owner builder (the “**vendor**”) dies, becomes insolvent or disappears.
- (3) Despite sub-clause (1), the policy is not required to indemnify the purchaser in respect of a warranty that all materials used in the building work were new to the extent that any materials used were not new if—

PART 4—ADDITIONAL POLICY PROVISIONS**Division 1—Mandatory Provisions****25. Purpose of this Division**

This Division sets out provisions that a policy required under Part 2 or Part 3 must contain.

27. Insurer to accept findings of Tribunal

The policy must contain a provision to the effect that if a person gives the insurer notice of a defect, that person is to be taken for the purposes of the policy to have given notice of every defect to which the defect notified is directly or indirectly related, whether or not the claim in respect of the defect that was actually notified is settled.

32. Insurer to notify Building Practitioners Board

- (3) Despite sub-clause (1), the policy must provide that the insurer may not reduce its liability to the insured by reason of a failure on the part of the insured to comply with a requirement imposed pursuant to that sub-clause unless and only to the extent that the insurer can prove that the failure increased the liability of the insurer under the policy.

40. Claims affecting common property

The policy may provide that if—

- (a) domestic building work is carried out on land in a plan of subdivision containing common property; and
- (b) a claim is paid by the insurer in relation to the common property—

Division 3—Excess**45. Purpose of this Division**

This Division sets out provisions relating to excess that a policy required under Part 2 or Part 3 may contain.

46. Allowable excess

- (1) The policy may include a provision which requires the insured (not being the builder or the owner builder) to bear at the insured's own risk—

- 48. *Only one excess to apply***
- Despite clause 46, the policy must ensure that an excess may be applied only once in relation to—
- (a) any claim comprising more than one defect; or

- (b) not otherwise inconsistent with, or contrary to, anything in this Order.

51. *Policy can provide greater cover*

A provision in a policy will not contravene or be inconsistent with this Order by reason only that it—

- (b) provides for a lower excess than that specified in Division 3 of Part 4; or
- (c) extends cover to persons other than the insured as defined in this Order.

The builder or owner builder (as the case requires) is responsible to the insurer for the payment of the premium for a policy required under this Order to be issued.
