EXEMPTION

Application No. A206/2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Elite Customer Solutions Pty Ltd for exemption from Sections 6(a), 13 and 195 of that Act. The application for exemption is to enable the applicant to engage in the specified conduct.

In this exemption “specified conduct” means any of the following –

- (a) to have at least two candidates in the 40 years and over age group included in the short list of resumes for all positions advertised for recruiting manager’s consideration;
- (b) to use recruitment agencies and job selection networks which specialise in sourcing older candidates; and

(c) to target potential workers in the 45 years and over age group (by making it clear in advertisements and recruitment that it seeks workers in this age bracket) in the following circumstances:

- i. where recruiting for teams (defined as people who all do similar work and report to the same manager) in which 75% or more of the employees are under 45 years;
- ii. where recruiting for teams where the voluntary staff turnover is greater than 30% per annum; and
- iii. in accounting teams.

Upon reading the material submitted in support of the application and upon hearing submissions from Ms Beverley Excell and Mr Damien Woods and for the Reasons for Decision given by the Tribunal on 1 September 2006, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 6(a), 13 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- the considerable experience and skill represented by older workers, and the benefit to individual older workers, businesses and the community of this experience and skill being fully utilised.
- the existence of discrimination against older people in the employment recruitment process.
- older workers are under represented in the workforce of the new economy.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 6(a), 13 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 September 2008.

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by The Australian Centre for Workplace Learning (a division of The Replay Group) (the applicant). The application for exemption is to enable the applicant to advertise for Australian Indigenous persons to participate in a Certificate III Engineering Fabrication Training Programme.

Upon reading the material submitted in support of the application, including an affidavit by William Edward Jones, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 37, 100 and 195 of the Act to enable the applicant to advertise for Australian Indigenous persons to participate in a Certificate III Engineering Fabrication Training Programme.

In granting this exemption the Tribunal noted:

- The applicant is funded under the Structured Training Employment Programme (STEP) to run a Certificate III Engineering Fabrication Training Programme.
- STEP is a project run under the auspices of the Department of Employment and Workplace Relations to provide programmes solely for Australian Indigenous persons.
- The Fabrication industry has a high demand for trained staff, and Australian Indigenous people are under-represented in the industry. The Program will allow participants to undergo training with their peers in an atmosphere conducive to their learning style and without pressure from non-Indigenous persons.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 37, 100 and 195 of the Act to enable the applicant to advertise for and accept Australian Indigenous persons to participate in a Certificate III Engineering Fabrication Training Programme.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 13 September 2009.

CENTRAL GIPPSLAND REGION
WATER AUTHORITY

Pursuant to Section 161(1)(b) of the **Water Act 1989**, notice is hereby given that the Central

Gippsland Region Water Authority has made a By-Law (number 13) which provides for "Water Restrictions".

By-Law number 13 replaces the existing By-Law number 10.

The objective of By-Law number 13 is to conserve water supplies within the Gippsland Water service region during times of drought or water supply shortages, and by doing so, encourage ongoing water conservation practices within the community.

In summary, By-Law number 13 provides the following information:

- a) The specific restrictions that will take effect at each stage of water restrictions (one to four) if in the opinion of Gippsland Water it is necessary to reduce the consumption of water supplied within the Gippsland Water supply district or part thereof.
- b) The manner in which restrictions will be declared, how the public will be notified and what information must be provided.
- c) An outline of emergency procedures that may come into effect if it is considered by Gippsland Water that Stage 4 restrictions are insufficient to reduce consumption to a level adequate to meet future demands at that level of restriction.
- d) Outline of variations or exemptions to water restrictions that may be granted by Gippsland Water if the authority considers that reasonable grounds for such variation or exemption have been presented or an approved Water Conservation Plan has been agreed to in writing by Gippsland Water.
- e) Outline of offences and penalties that apply should a person carry out an act forbidden by By-Law number 13.
- f) Notification that By-Law number 13 shall be substituted for By-Law number 10 (Central Gippsland Regional Water Authority).
- g) Definitions of terms referred to within the By-Law.

A copy of the By-Law is available for inspection free of charge at the Authority's Office at 55 Hazelwood Road, Traralgon, during normal business hours.
