CORRIGENDUM

In the Victoria Government Gazette No. G17, 24 April 2008, page 798 under the **Subordinate Legislation Act 1994**, notice that public comments and submissions are sought for the Regulatory Impact Statement (RIS) in relation to Transport (Taxi-cabs) (Amendment) Regulations 2008, the date for submissions to be forwarded should read no later than 5.00 pm Friday 23 May 2008.

Subordinate Legislation Act 1994NOTICE OF PREPARATION OF
REGULATORY IMPACT STATEMENT

Professional Boxing and Combat Sports
Regulations 2008

Regulatory Impact Statement

Notice is given that, in accordance with section 11 of the **Subordinate Legislation Act 1994**, a Regulatory Impact Statement (RIS) has been prepared in relation to the Professional Boxing and Combat Sports Regulations 2008 (proposed Regulations).

The proposed Regulations prescribe key elements of the **Professional Boxing and Combat Sports Act 1985**. The rationale for controls or restrictions on professional boxing and combat sports arise because of the unique context and inherent risks associated with these activities. To reduce these risks to an acceptable level, the proposed Regulations seek to cost effectively:

- promote the safety of professional boxing and professional combat sports contestants by reducing the risk of injury; and
- reduce the risk of malpractice.

Specifically, the proposed Regulations seek to achieve these objectives by giving operational effect to key elements of the Act by prescribing matters including fitness and medical tests, forms, and fees.

The proposed Regulations remake the Professional Boxing and Martial Arts Regulations 1997, which are due to expire on 1 July 2008. The key changes in the proposed Regulations include:

- annual fitness tests and requirements for six-monthly blood tests;
- a requirement to undertake other medical tests in certain circumstances;
- specification of prerequisites for registration of contestants, including an adequate level of skill for professional contests;
- resetting the fee levels for licences and contestant registration;
- a new fee of \$100 to apply for a promotion permit; and
- a prohibition on abuse of officials at promotions.

The RIS examines the costs and benefits of the proposed Regulations and assesses alternatives to the proposed Regulations. The RIS concludes that the benefits of the proposed Regulations outweigh its costs, and that none of the alternatives provides a superior means of achieving the proposed Regulations' objectives.

Copies of the RIS and the proposed Regulations may be obtained from Sport and Recreation Victoria by phoning (03) 9208 3473 (between 9.00 am and 5.00 pm) or the internet at <http://www.sport.vic.gov.au/>

Public comments and submissions are invited on the proposed Regulations. All submissions will be treated as public documents and will be made available to other parties upon request. Written comments and submissions should be forwarded by no later than 5.00 pm 30 May 2008 to Mr David Hobbs, Sport and Recreation Victoria, Department of Planning and Community Development, GPO Box 2392, Melbourne, Victoria 3001 or email: david.hobbs@dpcd.vic.gov.au

The first section of the Amendment makes changes to all the schedules in the Rural Living Zone. Minimum subdivision areas in each schedule do not change, however the Area/Dimensions/Distance for minimum area for which no permit is required to use land for a dwelling (hectares); minimum area for which no permit is required to alter or extend an existing dwelling (square metres); minimum setback from a road (metres); minimum setback from a boundary (metres); and minimum setback from a dwelling not in the same ownership (metres) will be amended to be the same for all 5 schedules. This change is expected to reduce the number of permit applications for dwellings and outbuildings received by Council, to achieve surety for purchasers by establishing criteria for reasonable impact in the zone.

The second section of the Amendment rezones crown land in Stawell bounded by Mary Street and Elizabeth Street known as Crown Allotment 2009, Parish of Stawell, from an Industrial 1 Zone to a Public Use Zone 5 to allow for the expansion of the Stawell Cemetery.

The third section of the Amendment corrects an anomaly with the numbering of the schedule to the Vegetation Protection Overlay (VPO). Currently there is only 1 schedule to the VPO, which is incorrectly titled Schedule 2. All VPO maps are already marked as being VPO 1.

The fourth section of the Amendment rezones land in Stawell bounded by Crowlands Road, Hawthorn Street and Vine Street, known as Crown Allotments 3 and 4, Section 149, Parish of Stawell, from a Public Use Zone 1 (Service and Utility) to a Residential 1 Zone. This part of the Amendment corrects an anomaly in the scheme as the land is used for residential purposes. This part of the Amendment will also reduce the number of permit applications received by Council.

The fifth section of the Amendment rezones land known as No. 10 Errington Road, Stawell, and more particularly described as Crown Allotments 1 and 1A, Section 243, Parish of Stawell, from an Industrial 1 Zone to a Rural Living Zone 1. This section of the Amendment corrects an anomaly in the scheme whereby the land has historically been and continues to be used for rural residential purposes.

The Amendment was approved by the Northern Grampians Shire Council in accordance with authorisation given by the Minister under section 11(1) of the **Planning and Environment Act 1987** on 16 April 2007. The authorisation has not been withdrawn.

A copy of the Amendment can be inspected, free of charge, during office hours, at the offices of the Northern Grampians Shire Council, Town Hall, Main Street, Stawell, and free of charge at the Department of Planning and Community Development website at www.dpcd.vic.gov.au/planning/publicinspection
