- (a) by an amount of \$50 or less, We will credit the amount to the next bill issued to You after We become aware of the overcharging;
 - (b) by an amount exceeding \$50, We will inform You within 10 business days after becoming aware of the overcharging and will repay any amount overcharged by crediting Your next bill or as otherwise reasonably directed by You

- 13.4 If for any reason (including, without limitation, the occurrence of an adjustment event) the amount of GST paid on a taxable supply (taking into account any decreasing or increasing adjustments in relation to the taxable supply) varies from the GST paid by You:
- (a) We must provide a refund or credit to You, or You must pay a further amount to Us, as appropriate, at the same time as the GST exclusive component of the adjustment is refunded or paid;
 - (b) the refund, credit or further amount (as the case may be) will be calculated by us in accordance with the GST Law; and
 - (c) We must notify You of the refund, credit or further amount within 14 days after becoming aware of the variation to the amount of GST payable. If there is an adjustment event in relation to the supply, Our requirement to notify You will be satisfied by us issuing to you an adjustment note within 14 days after becoming aware of the occurrence of the adjustment event.

- 13.6 If a payment to a party under this Contract is a payment by way of reimbursement or indemnity and is calculated by reference to the GST inclusive amount of a loss, cost or expense incurred by that party, then the payment is to be reduced by the amount of any input tax credit to which that party is entitled in respect of that loss, cost or expense before any adjustment is made for GST pursuant to clause 13.3.
