EXEMPTION

Application No. A67/2009

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Hume City Council. The application for exemption is to enable the applicant to advertise and employ an Aboriginal or Torres Strait Islander person for the position of Aboriginal Liaison Officer at Hume City Council (the exempt conduct).

In granting this exemption, the Tribunal noted:

- The Aboriginal and Torres Strait Islander Community expect that this role be filled by an Indigenous person.
- An Indigenous person in the role will have the trust of the Aboriginal and Torres Strait Islander Community.
- An Indigenous person in this role will have the required knowledge and understanding of Indigenous issues and needs. Furthermore, the Indigenous person would be able to ensure that care and services are delivered in a manner culturally sensitive and appropriate for the Indigenous Community.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 14, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

Application No. A70/2009

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Women's Health Grampians. The application for exemption is for renewal of exemption A59/2006 which was due to expire on 9 March 2009. The exemption sought is to enable the applicant to –

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from

sections 13, 14, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- The Organisation's objectives set out in its constitution include maintaining a Women's Health Service that is community based and run by women for women, thereby creating an environment which is accessible, non-threatening and comfortable, where confidentiality and respect for the women's perspective is attributed the highest priority.

NOTICE OF DECISION

Corrections Regulations 2009

I, Bob Cameron, Minister for Corrections and Minister responsible for administering the **Corrections Act 1986**, give notice under section 12 of the **Subordinate Legislation Act 1994** as follows:

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Corrections Regulations 2009 and was advertised to invite public comment. A total of 7 submissions were received and considered.

I have decided that the proposed Regulations should be made with the following amendments to the draft Regulations which accompanied the RIS:

Regulation 6 – Conduct of all officers	Proposal to clarify that uniform and equipment provided to officers by the Secretary belongs to the State of Victoria.
Regulation 13 – Prescription of instruments of restraint and their manner of use	Proposal to require that a prisoner must not be kept under restraint longer than is necessary. This provides clearer limitation on the use of restraints to balance the discretion afforded to prison officers on the manner of use of restraints.
Regulation 16 – Report to Governor by prison officer	Proposal has been amended to require a prison officer or escort officer to report to the Governor the application of handcuffs except when a prisoner is under escort. This ensures minimisation of the risk of arbitrary use of handcuffs by prison officers or escort officers.
Regulation 17 – Control of letters or parcels	Proposal has been amended to remove the restriction that it can only be a parcel to or from a ‘lawyer representing the prisoner’ that is subject to the requirements of sub-regulation 17(6). This ensures consistency with other parts of the Proposed Regulations where the term ‘lawyer’ is used.
Regulation 18 – Register of letters and parcels	Proposal to require each Governor of a prison to notify a prisoner if any letter or parcel is censored and to provide details of the parts censored. This enhances minimisation of arbitrary interference with prisoner communication.
Regulation 26 – Determination of placement	Proposal to require consideration and assessment of any medical or psychiatric condition when deciding placement. This ensures enhanced transparency that medical or psychiatric conditions are taken into account when deciding placement.
Regulation 27 – Separation by the Secretary	Proposal to require the Secretary to consider a prisoner’s medical or psychiatric condition when deciding to make a separation order. This ensures enhanced transparency that medical or psychiatric conditions are taken into account when deciding to make a separation order.
Regulation 40 – Remuneration	Proposal to limit the remuneration paid to prisoners for work done or programmes undertaken to a maximum of 30 hours per week, unless the prisoner is working in an essential work programme as determined by a Governor. This clarifies current operational practice regarding prisoner remuneration for work done in a prison industry and for participation in prisoner programmes.

Regulation 60 – Visits by lawyers to prisoners in prison	Proposal has been amended to include parcels in the provisions of the Proposed Regulations that relate to letters. This clarifies that the provisions of the Proposed Regulations also apply to parcels.
Regulation 66 – Information to be given by a visitor	Proposal has been amended to require a prison officer to be reasonably satisfied of a document to confirm the identity of a visitor. This ensures limitation on arbitrary use of the discretion.
Regulation 69 – Strip searches at prisons	Proposal has been amended so that the test to conduct a strip search in sub-regulations 69(2) and 69(4) is ‘believes on reasonable grounds.’ This ensures consistency with the test provided for in sub-regulation 69(3).
