EXEMPTION

Application No. A205 of 2009

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act) by Women's Health in the South East Inc. (the applicant). The application for exemption is to enable the applicant to –

- (a) advertise for and employ women only to work in the applicant's health service;
- (b) restrict individual membership of the applicant's health service to women only;
- (c) require that organisations that are members of the service be represented at meetings (whether they come to attend, speak or vote) by women only.

In this exemption the conduct referred to in paragraphs (a) to (c) is called the 'specified conduct'.

Upon reading the material filed in support of this application, including an affidavit by Ms Tricia Elliott of Women's Health in the South East Inc., the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 59, 60, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- Previous exemptions in similar terms were granted in August 2006, July 2003 and July 2000.

The Tribunal hereby grants an exemption from the operation of sections 13, 59, 60, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 10 September 2012.
