Road Management Act 2004

Notice of Proposed Amendment to Road Management Plan

In accordance with section 54(6) of the **Road Management Act (2004)** (Act), the Whitehorse City Council as the relevant road authority (Council) gives notice that it intends to amend its road management plan.

The purpose of the amendment is:

- to ensure that the standards in relation to, and the priorities to be given to, the construction, inspection, maintenance and repair of the roads and the classes of roads to which the road management plan applies are safe, efficient and appropriate for use by the community served by the Council;
- to improve the management system adopted by the Council in connection with its road management functions and its duty to inspect, maintain and repair public roads for which it is the coordinating road authority or the responsible road authority, based on policy and operational objectives and available resources; and
- to set more relevant and attainable standards and policies in relation to the discharge of the duties of the Council in the performance of its road management functions under the Act.

The general purport of the amendment is that:

- bicycle and off-road shared pathways in parks, reserves and ancillary areas will be subject to the road management plan;
- it will incorporate appropriate cross-referencing to the Council's Risk Management Policy and Strategy, the Council Plan made under the **Local Government Act 1989** and other relevant policy documents;
- it will adopt revised road construction standards in order to reflect updated and revised drawings, specifications and procedures of the Council;
- to reflect current funding levels and resources, lower standards will be established (by

providing for less frequent inspections of a road and increasing the periods of time within which defects are to be repaired) in relation to roadways, pathways, road infrastructure and road-related infrastructure;

- it will provide for the determination of other standards dealing with administrative procedures within the Council, or changes of a machinery or declaratory nature, including changes consequential on a road ceasing to be, or becoming, a public road;
- it will provide for the determination of standards that deal with a road which has become a public road since the road management plan was originally made by the Council; and
- it will generally improve the manner in which the Council, utilising the road management plan as a policy document, carries out its road management functions.

The proposed amendment will apply to all of the roads, roadways, pathways, road infrastructure and road-related infrastructure and classes of roads, roadways, pathways, road infrastructure and road-related infrastructure within the municipal district of the Council for which the Council is the responsible road authority under the Act.

A copy of the proposed amendment may be inspected at or obtained from the Council's municipal offices, 379–397 Whitehorse Road, Nunawading 3131, or accessed on line by viewing the Council's Internet website at www.whitehorse.vic.gov.au and following the links.

Any person may make a submission on the proposed amendment to the Council by 5 pm on 27 November 2009.

Submissions must be in writing and addressed to the Manager Engineering and Environmental Services, Whitehorse City Council, Locked Bag 2, Nunawading DC, Victoria 3131, or delivered to the Council's municipal offices at the address referred to above.

Any enquiries about the proposed amendment can be directed to Mirjam Fabijanic on telephone 9262 6322 or email at mirjam.fabijanic@whitehorse.vic.gov.au

Subordinate Legislation Act 1994

NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT

Charter of Human Rights and Responsibilities
 (Public Authorities) Regulations 2009

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared to assess the impact of the proposed regulations.

Reason for and objectives of proposed statutory rule

Under the existing Charter of Human Rights and Responsibilities (Public Authorities) Interim Regulations 2008, the Adult Parole Board, the Youth Residential Board and the Youth Parole Board (the Boards) are declared not to be 'public authorities' for the purposes of the Charter of Human Rights and Responsibilities (the Charter). The effect of the Interim Regulations is to exempt the Boards from the operation of the Charter. The Interim Regulations expire on 29 December 2009; the problem that the proposed Regulations are designed to address is that immediate compliance with the Charter after that date will undermine the effective operation of the Boards.

The RIS assesses the costs and benefits of various alternatives and explains why the proposed Regulations are the preferred solution.

Summary of results of RIS

The RIS has concluded that the Boards should be exempted from the Charter for a further four-year period following the expiry of the existing Interim Regulations.

The proposed Regulations will declare the Boards not to be 'public authorities' for the purposes of the Charter from 28 December 2009 until 27 December 2013.

Availability of RIS

The RIS and draft Regulations can be obtained at www.justice.vic.gov.au or from the Human Rights Unit, Department of Justice, Level 24, 121 Exhibition Street, Melbourne, Victoria 3000.

Comments

Public comments or submissions can be made to the Human Rights Unit, Department of Justice, Level 24, 121 Exhibition Street, Melbourne, Victoria 3000. All comments must be made in writing, marked 'Parole Boards RIS' and received by 25 November 2009.

It should be noted that all comments and submissions received will be treated as public documents.
