Proposed Interim Local Laws

Processes of Municipal Government (Meetings and Common Seal) Local Law No. 1

The purpose of this proposed Local Law includes facilitating the good government of the Council through its formal meeting processes, regulating the use of the Council's common seal, prescribing requirements for the election of the Mayor and providing means by which the community can participate in the Council's formal meeting processes.

The proposed Local Law will achieve its purposes by a number of measures including:

- establishing the meeting at which the Mayor is elected and the processes for the election of the mayor;
- prescribing the Order of Business at Council meetings and how Councillors can get items of business on the agenda for the meeting;
- how business is conducted at meetings, the rules of debate and standards of behavior that will apply;
- the notice to be given to the public concerning dates and times of council meetings and the way in which the public can participate in the Council's formal meeting processes; and
- prescribing the authority required to use the Council's common seal and who may use it.

Municipal Places Local Law No. 2

The purposes of this proposed Local Law includes regulating the way in which Council facilities and assets are used to protect them from damage and to ensure that they are used in a way that benefits the community and provides for the quiet enjoyment of those facilities by residents and visitors.

The proposed Local Law seeks to achieve its purposes by:

- identifying behaviour that would cause an interference with a person's enjoyment of a municipal place or would be detrimental to the Council's assets in the public place;
