- Street and Roads Local Law No. 2
- Municipal Places Local Law No. 3
- Environment Local Law No. 4
- Livestock Local Law No. 5

Notice is given pursuant to section 119(2) of the **Local Government Act 1989** that at its meeting on 5 April 2011, the Wellington Shire Council ('Council') resolved its intention to revoke the following existing Local Laws: Street and Roads Local Law No. 2 – 2005, Municipal Places Local Law No. 3 – 2005, Environment Local Law No. 4 – 2005 and Livestock Local Law No. 5 – 2005.

The Council proposes to make the following Local Laws: Street and Roads Local Law No. 2 – 2011, Municipal Places Local Law No. 3 – 2011, Environment Local Law No. 4 – 2011 and Livestock Local Law No. 5 – 2011.

Revised Footpath Trading Guidelines have been developed to be read in conjunction with Street and Roads Local Law No. 2 – 2011. These guidelines outline the requirements, conditions and standards required for footpath trading.

Community Impact Statements have been developed as explanatory documents to seek to improve consistency, clarity and transparency for those affected by the Local Laws, including businesses and community members.

The objectives of the Local Laws are to:

- provide for those matters that require a local law under the **Local Government Act 1989** and any other Act;
- provide for the administration and exercise of Council powers and functions;
- provide for the peace, order and good government of the Municipal District of the Wellington Shire;
- repeal any redundant local laws.

The purpose and general purport of the proposed Street and Roads Local Law No. 2 – 2011 is to:

- prohibit, regulate and control activities, events, practices and behaviour in places so that no nuisance is caused and there is no detriment to the amenity of the neighbourhood, to a person or to a person's property;
- regulate and control activities on roads in a fair, equitable and safe manner which does not compromise the primary need for the passage of people and goods;
- maintain safe and unobstructed passage for pedestrians in line with the **Disability Discrimination Act 1992**.

The purpose and general purport of the proposed Municipal Places Local Law No. 3 – 2011 is to:

- allow and protect the quiet enjoyment by people of municipal places within the municipal district;
- enable people in the Municipal District to carry out their day to day activities and to enjoy their recreational pursuits without having their peace and enjoyment interfered with or destroyed;
- recognise and respond to community expectations relating to the quality of life they expect and require and are capable of influencing;
- control and prevent behaviour which is a nuisance, or which may be detrimental to health and safety or which affects the enjoyment of recreational or other facilities;
- protect Council and community assets and facilities on or in municipal places; and
- prohibit, regulate and control –
  - i. behaviour in municipal places which is harmful or intimidating;
  - ii. behaviour in municipal places which is offensive, dangerous or threatening or which, for other reasons, is inappropriate in a municipal place;
  - iii. the consumption of alcohol in designated areas and smoking in specified places.

The purpose and general purport of the proposed Environment Local Law No. 4 – 2011 is to:

- provide a safe and healthy environment in which the residents of the municipal district enjoy a quality of life that meets the general expectations of the community;
- prohibit, regulate and control activities which may be dangerous or unsafe or detrimental to the quality of life in an environment of the municipal district;
- control nuisances and noise, odour and smoke emissions, and other discharges to the environment;
- prohibit, regulate and control activities and circumstances associated with
  - i. smoke emission, particularly emission from burning material and from incinerators;
  - ii. the use of recreation vehicles;
  - iii. fire hazards;
  - iv. dangerous and unsightly land;
  - v. camping;

- vi. circuses, carnivals and festivals;
- vii. animals, including animal numbers and the keeping and control of animals;
- viii. disposal of waste including behaviour associated with Municipal Waste Facilities.

The purpose and general purport of the proposed Livestock Local Law No. 5 – 2011 is to:

- regulate the movement and droving of Livestock through and within the Municipal District and the grazing of Livestock within the municipal district;
- minimise any damage to Road pavements, formations, drainage, vegetation and surrounding areas arising from Livestock;
- minimise the spread of Livestock disease and noxious weeds in the municipal district;
- provide for the welfare of Livestock when being driven, grazed or moved;
- alert other Road users to the presence of Livestock on Roads in the Municipal District in the interests of safe use of Roads;
- regulate the adequacy of fencing of Livestock;
- put in place mechanisms for rectifying inadequate fencing;
- fix fees or charges relating to the impounding of Livestock and all other costs incidental thereto and for Road use by Livestock within the municipal district.

A copy of the proposed Local Laws, Footpath Trading Guidelines and Community Impact Statements may be inspected or obtained from Wellington Shire Council Offices at 70 Foster Street, Sale, and 156 Grant Street, Yarram, and may also be accessed on Council's website, [www.wellington.vic.gov.au](http://www.wellington.vic.gov.au)

#### EXEMPTION

Application No. A78/2011

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act) by Eastern Access Community Health (the applicant). The application for exemption is to enable the applicant to advertise for and employ only Indigenous persons to the roles of Men's Cultural Healing Support Worker and Women's Cultural Healing Support Worker (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavit of Kylie Kinsela, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 14, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The extent of nature of family violence in Indigenous communities is disproportionately high and the provision of support services for Indigenous Victorians affected by family violence has been identified as a priority for the Victorian Government.
- In partnership with the EMR Aboriginal Family Violence Action Group, the applicant has established the Boordawan William Family Violence Healing Service (the Service). The Service acknowledges the impact of intergenerational trauma

and violence on Aboriginal people and is committed to developing a service that supports healing for Aboriginal people within a culturally meaningful practice. The Service plays an important role in mobilising services for Aboriginal women, children and men in the Eastern Metropolitan Region of Victoria.

- The main purpose of each of the Men's and Women's Cultural Healing Support Worker roles is to provide support, information, assessment and referral within an Aboriginal cultural framework. The support will be aimed at empowering men, women and families through stabilising their lives, establishing their accountability and responsibility (as appropriate) and reconnecting them to Aboriginal culture, community and family.
- Taking into account the nature of the Service and the roles, it is appropriate that the holders of the two roles are Indigenous.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (the Charter). Arguably, this exemption limits the right to equal and effective protection against discrimination of non-Indigenous persons who would wish to be employed in one of the Cultural Healing Support Worker roles. I am satisfied that the exemption is a measure taken for the purpose of assisting or advancing Indigenous people who are disadvantaged and so it does not amount to discrimination under the Charter. In any event, in the circumstances discussed above, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 13, 14, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 13 April 2014.
