Little Myers Street – Proposed One Way

Council have observed pedestrian, parking and through traffic concerns on Little Myers Street to the front of St Marys Primary School. Little Myers Street is a narrow road and has minimal road width to accommodate parked cars and two-way traffic. The footpaths are also very narrow and is not viable for school crossing infrastructure.

To address these issues, Council are proposing to introduce a one-way traffic system heading eastbound between Haymarket car park exit and Yarra Street. Two-way traffic flow will still continue from Haymarket car park access to Moorabool Street.

The City will conduct a three-month trial. Works will occur in the school holiday period of 24 September to 3 October 2011. Should the measures be regarded as successful, the changes will then be introduced permanently.

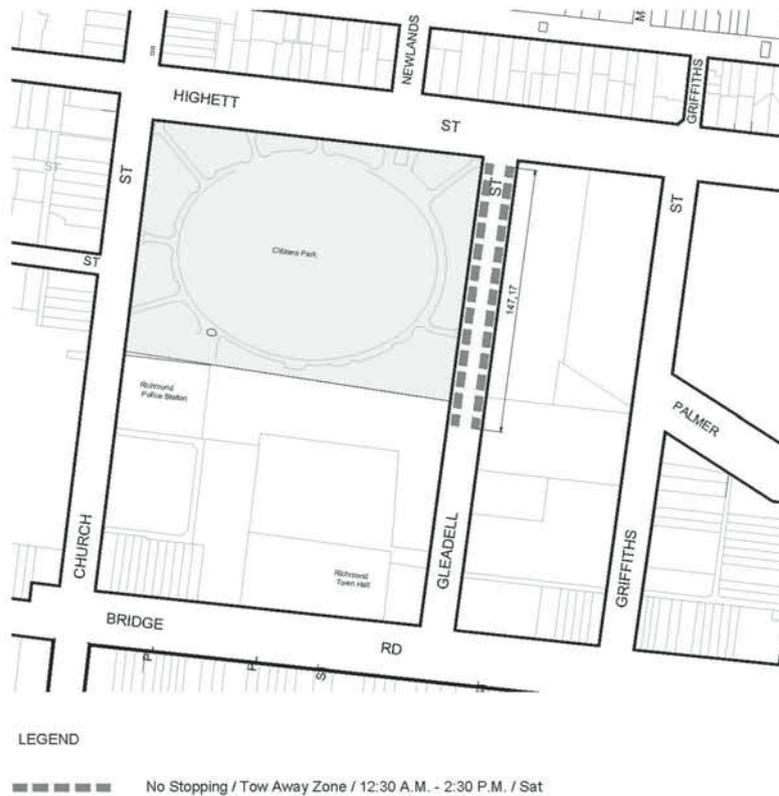

Local Government Act 1989

Clause 4

The owner of a towed vehicle may also be charged a fee in accordance with Council’s Schedule of Fees and Charges, which is adopted by Council as part of its annual budget.

The tow away zone has been established to ensure space is available for stall holders to set up, operate and dismantle their stalls each Saturday. The tow away zone will be in an area of Gleadell Street outlined in the map below, and will operate on Saturdays, between the hours of 12.30 am and 2.30 pm.
