**MOUNT ALEXANDER SHIRE COUNCIL**

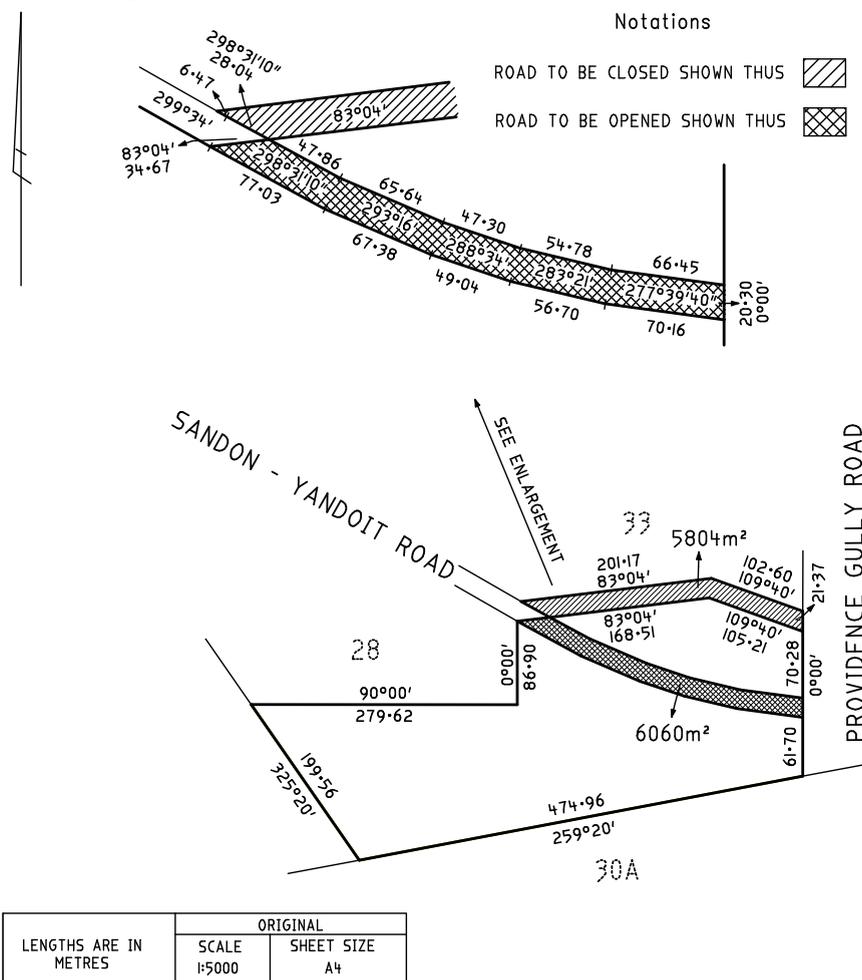

**Road Deviation and Land Exchange**

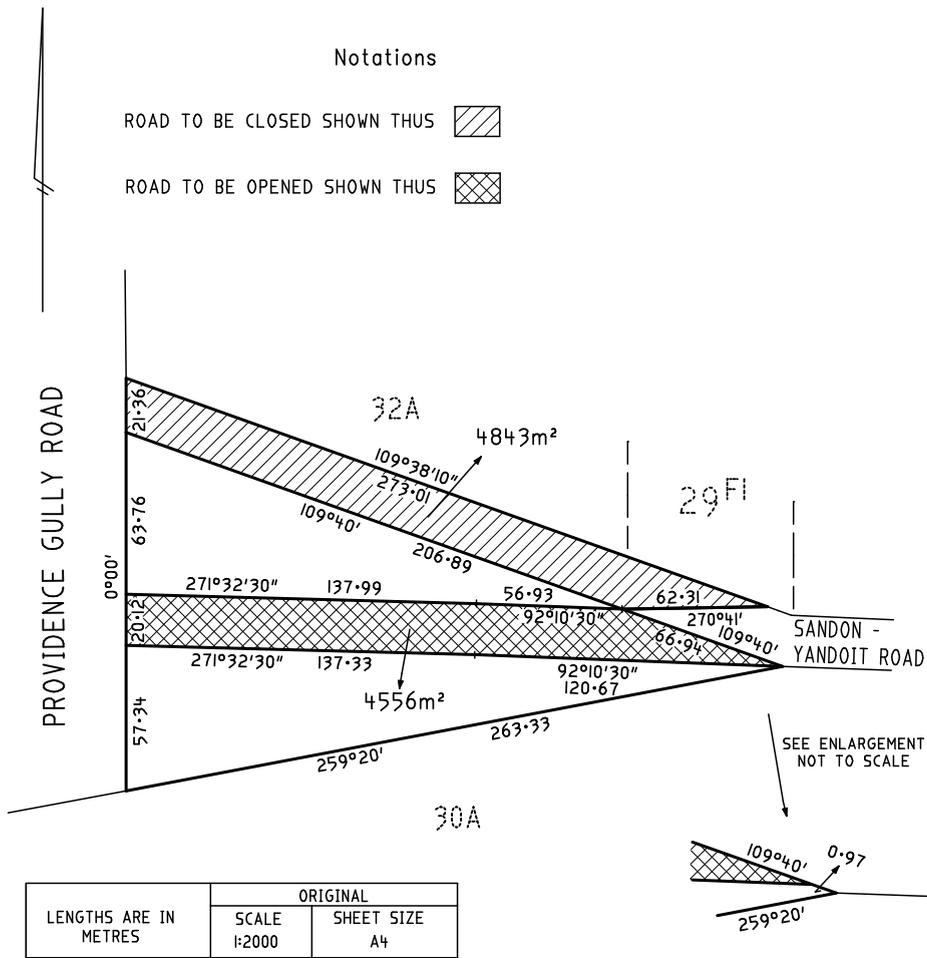

Acting pursuant to section 207B(2A) Clause 2 of Schedule 10 of the **Local Government Act 1989** (the Act), the Mount Alexander Shire Council hereby gives notice that, as from the date of publication in the Government Gazette, Council shall deviate a section of the Sandon–Yandoit Road, at Sandon to the east and west of Providence Gully Road, which is hatched on the two plans below.

Under clause 2(2) of Schedule 10 of the Act, consent was obtained on 23 October 2013 from the Minister for Environment and Climate Change, as the Responsible Minister administering the **Land Act 1958** (under delegated authority), to the proposed deviation and land exchange as shown on the plan below.

The road reserve is to be altered on title to accord with the physical occupation and location of the existing constructed road. The land in the existing road reserve (hatched) is proposed to be transferred to the adjoining owners in exchange for the land upon which the road is actually constructed (cross hatched).

Council now gives effect under Schedule 10, Clause 2(3) of the Act to the road deviation in accordance with the plans below.

## BASS COAST SHIRE COUNCIL

## Control of Dogs in the Shire

On 19 March 2014, the Bass Coast Shire Council (Council) made an Order which revokes all previous Orders made under section 26(2) of the **Domestic Animals Act 1994** (Act) in relation to the control of dogs on beaches, including the orders published in the Government Gazette on 31 October 2013 and 19 December 2013, which revocation will take effect on 30 April 2014.

Council also ordered, pursuant to section 26(2) of the Act, that:

1. From 1 May 2014, dogs must be restrained by a chain, cord or leash in all public places (other than those in private ownership) in Council's municipal district with the exception of Designated Off Leash Areas.
2. The following areas are Designated Off Leash Areas:
  - Ventnor, beach area between Graydens Road West and access point at Ventnor Beach Road;
  - Cowes, Blue Gum Reserve in Dunsmore Road;
  - Wonthaggi, Strickland Street Reserve;
  - Inverloch, beach and car park area east of Grandview Grove to Cuttriss Street;
  - Inverloch, beach area between Abbott Street and Ramsey Boulevard carpark adjacent to Holt Court;
  - Inverloch, inland reserve at the end of Inlet Court, Queenscliff Drive, Headland Way and Somerset Place; and
  - Inverloch, inland reserve at the end of Endeavour Place between Mariner Place, Regatta Place and Artisan Way.

A dog may be exercised off a chain, cord or leash in a Designated Off Leash Area during the times allowed in that area if the owner of the dog:

- carries a chain, cord or leash;
- has at all times effective voice control of the dog and is able to place the dog under effective control by means of chain, cord or leash immediately if necessary;
- does not allow the dog to attack a person or animal or rush at a person; and
- always keeps the dog in sight.

If a dog is off a chain, cord or leash in a Designated Off Leash Area, it must be brought under effective control by the owner by means of chain, cord or leash if it is within twenty metres of:

- the arena or ground of an organised sporting or practice event;
- a children's play equipment area; or
- a permanent barbeque or picnic area.

For the purposes of this paragraph:

'owner' has the same meaning as in the Act

'rush at' has the same meaning as in the Act

3. From 30 April 2014, in each of the following areas the restrictions below apply:

No dogs between 10.00 am and 5.00 pm on any day and between 8.00 pm on one day and 7.00 am on the following day from 1 December in each year to 30 April in the following year.

  - Cape Woolamai Safety Beach (southern end of The Esplanade to Cleeland Road);
  - All Phillip Island northern beaches from Ventnor to the eastern most part of Silverleaves, with the exception of Cowes Main Beach (Mussel Rocks to Erehwon Point) where dogs are prohibited at all times (see paragraph 4);

- Rhyll Beach (McIlwraith Road to Hastings Street);
  - Newhaven Beach (Boys Home Road to Cleeland Street); and
  - Cape Paterson Beaches (from Cape Paterson Caravan Park to and including Cape Paterson Life Saving Club beach).
4. The following restrictions apply at all times:
- No dogs permitted at any time on Cowes Main Beach, Phillip Island (between Mussel Rocks and Erehwon Point).

These provisions are now in force and will assist in improving the amenity of Council's municipal district, particularly over the holiday season, when dogs on beaches, in public reserves and shopping areas can create a nuisance or danger to the public and wildlife.

## EXEMPTION

Application No. H41/2014

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Cato and Hall Pty Ltd t/as Executive Women Shortlists (the applicant). The application for exemption is to enable the applicant to provide services to women only by including only women in shortlists prepared by the applicant for presentation to employers who seek to employ a person in an executive level role and to advertise that conduct (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavits of Amy Cato, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The applicant is a recruitment company which is engaged by potential employers who seek candidates for executive roles. The applicant does not engage the candidates, but rather presents to employers shortlists of experienced and qualified candidates who may be suitable for the particular role. The applicant's business is to include only women in shortlists for executive roles. The applicant will not seek applications from men, approach men for vacancies or include men in shortlists. The rationale for the applicant's business is to address the shortfall in women in executive roles in companies and other organisations. Australian Stock Exchange (ASX) statistics show that almost two-thirds of ASX 500 companies have no female executives and only 12 have female chief executive officers. Many companies and government organisations wish to increase the number of women within their senior ranks and the applicant intends to present women only shortlists to assist in meeting the identified shortfalls.
- I am not satisfied that the evidence before me is sufficient to show that the exempt conduct is a special measure under section 12 of the Act. No exception or current exemption already applies to the exempt

conduct. To the extent that the applicant provides services to the women candidates it includes on shortlists and the companies it works for, in the absence of an exemption, the exempt conduct would amount to prohibited discrimination.

- The applicant has informed the Tribunal that there are some 3,300 company and individual recruiting services in Australia and New Zealand. The Association of Executive Search Consultants has 53 members which operate across Australia. The applicant is the only Australian based recruitment agency which will only offer women as candidates for executive roles.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality, and in particular the right to equal and effective protection against discrimination, of men who would wish to be included in the applicant's shortlists. I am satisfied that, in the circumstances discussed above, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 23 April 2019.

#### EXEMPTION

Application No. H59/2014

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Inner Northern Group Training Ltd (the applicant). The application for exemption is to enable the applicant to advertise for and employ only women as female apprentices within the applicant's 'Why Should Boys Have All The Fun Jobs?' project (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavits of Ali Akkus, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 16, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The applicant has been awarded funding from the Victorian Department of Education and Early Childhood Development to run a 12-month project called 'Why Should Boys Have All The Fun Jobs?' The project is designed to work with female students from years 10–12 to promote and create awareness of the career opportunities that are available for them within non-traditional trades. Part of the project involves a purpose-built 'tradie trailer' which will be fitted with trade tools and supplies for the purpose of engaging young women in the hands-on skills required for non-traditional trades.
- As part of the above project, the applicant wishes to employ up to 40 women as female apprentices to assist in increasing the number of women in non-traditional trades. The applicant has provided statistics which show that in 2013, only 9.37% of all Victorian apprentices were women. If hairdressing and commercial cookery apprentices are set to one side, women make up only 2.44% of all other Victorian apprentices.
- I am not satisfied that the material before me establishes that the exempt conduct is a special measure under section 12 of the Act. No exception or current exemption applies to the exempt conduct and in the absence of an exemption the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination of men who would wish to be employed in one of the designated apprenticeship roles. I am satisfied that, in the circumstances discussed above, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 16, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 30 April 2019.
