#### SCHEDULE OF CONDITIONS TO EXEMPTION NO. H214/2014

1. This exemption applies only to conduct by the Applicant where it has taken all steps reasonably available (including steps that might be taken in negotiating or performing any contract) to avoid the necessity to engage in the specified conduct.
2. Where the specified conduct involves moving a member of the Applicant’s Victorian workforce from one project, area or facility to another, the Applicant must, through a duly authorised officer, explain to the person why he or she is being transferred and must otherwise take all reasonable steps to avoid or limit harm or loss to that person which might arise from the transfer.
3. Where the Applicant has a system of badges or security passes to identify those in its Victorian workforce permitted by virtue of their nationality to work on certain defence-related projects or to access related controlled material or controlled information, or levels of access to that material or information, the pass or badge may show a code that indicates the holder’s nationality, but not in such a way that a person unfamiliar with the code would be able to identify that nationality.
4. All information relating to security passes or badges, security clearance levels, or access to controlled material or controlled information, must be restricted to the Applicant’s Manager of Security and Human Resources Manager and their properly appointed nominees on a ‘need to know’ basis.
5. The Applicant’s employment policies must continue to refer to the terms and conditions of this exemption, and to make it clear that the purpose of requiring information regarding nationality is solely to enable compliance with the security requirements.
6. The Applicant must provide a copy of this exemption to –
  - (a) existing contractors who supply it with contract workers, as soon as is reasonably possible after this exemption commences; and
  - (b) any new contractors who supply it with contract workers, as soon as is reasonably possible after the relevant contract is entered into.
7. The Applicant must report in writing to the Commission and the Tribunal six months after the commencement of this exemption, and every six months thereafter while the exemption is in force detailing in respect of the period to which the report relates, and in respect of the matters covered by this exemption –
  - (a) the steps taken by the Applicant to comply with the EO Act and the terms and conditions of this exemption, including training and education given to its Victorian workforce, compliance audits, and any complaints made under the EO Act;
  - (b) the number of applications to join its Victorian workforce rejected under the exemption and whether any (and if so, how many) were subsequently appointed to other roles;

- (c) the number of members of its Victorian workforce moved to other projects, areas or facilities under the exemption, and any steps taken to minimise harm or loss to those people arising from the transfers;
- (d) the number of Victorian workforce vacancies advertised or offered under the exemption.
8. The Tribunal, in determining whether to grant a further exemption, may (as well as other factors) take into account any breach of these conditions and anything in any report under condition 7.
