#### WHITTLESEA PLANNING SCHEME

##### Notice of Preparation of Amendment

##### Amendment C183

The Metropolitan Planning Authority has prepared Amendment C183 to the Whittlesea Planning Scheme.

The land affected by the Amendment comprises approximately 143 hectares and is bound by Donnybrook Road to the north, the Melbourne–Sydney rail corridor to the east and Merri Creek to the south and west.

The Amendment proposes to incorporate two documents in the Whittlesea Planning Scheme titled ‘English Street Precinct Structure Plan, April 2015’ and ‘English Street Development Contributions Plan, April 2015’. The Amendment also rezones the land to Urban Growth Zone Schedule 4 to facilitate the development of the land. Specially, the Amendment makes the following changes to the Whittlesea Planning Scheme:

- incorporates two new documents into the planning scheme by listing them in the Schedule to Clause 81.01:
  - English Street Precinct Structure Plan, April 2015;
  - English Street Development Contributions Plan, April 2015;
- inserts Schedule 4 to the Urban Growth Zone (UGZ4) to the Whittlesea Planning Scheme and applies UGZ4 to part of the Amendment area. The schedule sets out the land use and development controls for the precinct and requires land use and development within the Amendment area to be generally in accordance with the English Street PSP;
- rezones land identified as Growling Grass Frog Conservation Area 34 in the Biodiversity Conservation Strategy along the Merri Creek from Farming Zone (FZ) to Rural Conservation Zone (RCZ);
- inserts Schedule 10 to the Incorporated Plan Overlay (IPO10) to the Whittlesea Planning Scheme and applies IPO10 to land within the Rural Conservation Zone which is identified as Conservation Area 34 in the Biodiversity Conservation Strategy along the Merri Creek;
- inserts Schedule 15 to the Development Contributions Plan Overlay (DCPO15) in the Whittlesea Planning Scheme and applies the DCPO15 to land within the Amendment area, to provide for development contributions for transport and community infrastructure;
- applies Public Acquisition Overlay (PAO2) to land south of Donnybrook Road to allow for the widening and construction of the ultimate carriageway and intersections for Donnybrook Road;
- removes the Environmental Significance Overlay Schedule 3 (ESO3) and Schedule 4 (ESO4) from the Amendment area. The overlay is no longer required as the incorporated English Street PSP designates areas of environmental significance in the Merri Creek;
- amends the Land Subject to Inundation Overlay (LSIO) to reflect updated mapping provided by Melbourne Water;
- removes the Rural Flood Overlay (RFO) from the Amendment area as this provision is no longer required and is adequately dealt with via the LSIO and PSP provisions;

- amends the Schedule to Clause 52.01 to provide for public open space contributions for land in the English Street PSP area when land is subdivided; and
- amends the Schedule to Clause 52.17 to identify vegetation that can be removed without the need for a planning permit.
