LOCAL LAW NO. 8
GENERAL LOCAL LAW

Notice is hereby given pursuant to section 119 of the **Local Government Act 1989** that, at its meeting on 21 July 2015, Council resolved to give public notice to commence the process for the making of Local Law No. 8 (General Local Law) and the following Codes of Practice:

- Trading Activities
- Building and Works
- Waste, Recycling and Garden Organics
- Livestock.

The objectives of the proposed Local Law No. 8 are to provide for:

- (a) the peace, order and good governance of the municipality;
- (b) a safe and healthy environment so that the community can enjoy a quality of life that meets its expectations;
- (c) the safe and equitable use and enjoyment of public and municipal places;
- (d) the protection and enhancement of the amenity and environment of the municipality;
- (e) the fair and reasonable use and enjoyment of private land; and
- (f) the uniform and fair administration of this Local Law.

The objectives of the Trading Code of Practice are to:

- provide a clear, safe and unobstructed access at all times for pedestrians of all abilities on footpaths within the Shire of Campaspe; and
- provide for the administration of Council's powers and functions.

The objective of the Building and Works Code of Practice is to:

- protect public assets and infrastructure during building work and to provide an environment where activities on and related to building sites and building work complement the safety and amenity of the public and the community.

The objectives of the Waste, Recycling and Garden Organics Code of Practice are to:

- provide an environment where activity related to kerbside waste, recycling and garden organics complement the safety and amenity of the community;
- reducing the environmental impact related to waste management; and
- provide for the administration of Council's powers and functions.

The objectives of the Livestock Code of Practice are to:

- ensure the safety of the public, farmers and stock on Council-controlled roads;
- prevent damage to the road structure and its environs; and
- promote the conservation of flora and fauna on roadside land.

The changes to the proposed General Local Law clauses have been listed in the Community Impact Statement. The main changes to all PARTS are:

The format of the proposed General Local Law has been changed to meet the ministerial guidelines. The structure has been modified in places to bring related areas together and achieve consistency with the protocol for clause numbering. A new clause has been added to guide issuing conditional permits. The incorporated documents are now listed in one area. Expression has been improved with several clauses reworded to plain English.

Law headings have been amended to better explain what the law is for or what problem it is addressing. Some headings have been expanded and sub-headings created so that the purpose for the local law is clearer. This requirement will make it easier for the community to understand why a law is required. Duplications of power have been removed as required by the guidelines.

PART 2 ROADS AND MUNICIPAL PLACES

There are new provisions for declaring outdoor smoke-free areas.

PART 3 ENVIRONMENT

The requirement for a permit to camp at Aysons Reserve has been altered to allow camping for two nights without a permit. The restrictions over long-term camping on the reserve have been retained.

PART 4 ANIMALS

Alignment of the keeping of animals provisions with the Campaspe Planning Scheme has occurred to remove an overlap and inconsistency. This has resulted in the expansion of the table within Part 4 and creates greater differentiation for rural living areas. This will provide a means to address community concerns through the local law permit process. This change will result in permits being required for some types of animals in rural living areas.

A copy of the Local Law may be viewed online at www.campaspe.vic.gov.au and is available for viewing from any Shire of Campaspe Service Centre during business hours.

Any person may make a written submission on the proposed local law and codes of practice. A person making a written submission is entitled to be heard provided they request to be heard within the submission. All submissions received by the close of business on 3 September 2015 will be considered in accordance with section 223 of the **Local Government Act 1989**. Submissions should be addressed to the Chief Executive Officer, Shire of Campaspe, PO Box 35, Echuca, Victoria 3564, or to shire@campaspe.vic.gov.au
