INTERIM EXEMPTION

Application No. H54/2015

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 83 of the **Equal Opportunity Act 2010** (the Act) by Harkaway Public Hall Committee Inc. (the applicant). The application for exemption is to enable the applicant to refuse to permit occupation of the hall by any group consisting predominantly of people aged 22 years or under, for the purpose of a party or similar function, if the applicant is not satisfied that the group has taken reasonable steps to:

- (a) ensure that the group is adequately supervised by an adequate number of people whom the applicant considers can supervise the group effectively;
 - (b) ensure the adequate provision of security for people attending the function;
 - (c) prevent uninvited people from attending; and
 - (d) provide transport for those attending away from the Harkaway area
- (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavit of Philip John Wild, and having had regard to an earlier exemption which expired on 21 March 2015, the Tribunal is satisfied that it is appropriate to grant an interim exemption from sections 44, 50, 107 and 182 to enable the applicant to engage in the exempt conduct until the application is finally heard and determined.

- The Tribunal has granted previous exemptions to the applicant on similar terms (A232/2002, A202/2005 and A160/2011) with the last expiring on 21 March 2015. The circumstances surrounding this application are the same as for the previous exemptions.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (the Charter). Arguably, this exemption limits the right to equal and effective protection against discrimination of people aged 22 years or under who would wish to hire the Harkaway Hall and who cannot satisfy the applicant about the matters listed above. I am satisfied that for the purposes of this interim exemption the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 44, 50, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 30 November 2015.

NOTICE OF INTENTION TO MAKE A LEGISLATIVE INSTRUMENT

(Section 12J)

Scale of Fees and Charges for Services for a Class A Cemetery Trust

I, Bryan Crampton, as delegate of the Secretary to the Department of Health and Human Services, under section 40 of the **Cemeteries and Crematoria Act 2003**, give notice of my decision to approve the proposed Scale of Fees and Charges for Services for the Southern Metropolitan Cemeteries Trust, being a Class A cemetery trust.

A regulatory impact statement was prepared and a public call for submissions was undertaken in relation to the proposed Scale of Fees and Charges for Services for the Southern Metropolitan Cemeteries Trust. The Victorian Competition and Efficiency Commission issued a notice of adequacy for the regulatory impact statement and no submissions were received for consideration.

The objective of the proposed Scale of Fees and Charges for Services for the Southern Metropolitan Cemeteries Trust is to introduce a new set of services and associated pricing arrangements relating to the sale of rights of interments for graves and cremation memorialisation options.

I have decided that the proposed legislative instrument is to be made and will come into effect upon gazettal of the instrument in the Victoria Government Gazette.
