**Subordinate Legislation Act 1994**  
REGULATORY IMPACT STATEMENT

Road Safety (Drivers) and (Vehicles) Amendment (Miscellaneous Fees) Regulations 2015

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared in relation to the Road Safety (Drivers) and (Vehicles) Amendment (Miscellaneous Fees) Regulations 2015.

The proposed Regulations would introduce user fees into the following Registration and Licensing services:

- a) appointments for miscellaneous registration services;
- b) appointments for miscellaneous licensing services;
- c) vehicle defect notice clearance; and
- d) driver licence exemptions.

VicRoads has identified that the current provision of the above no-fee services to its customers has led to undesirable funding arrangements. The annual costs absorbed by VicRoads for the no-fee services have exceeded \$4 million, requiring the reallocation of funds from other needed VicRoads purposes. With the no-fee services overutilised, the demand for growth and associated service costs are forecasted to rise each year, creating a growing funding gap.

The overall objective of the proposed Regulations is to recover cost of service provision from the users of the above services, utilising government cost recovery guidelines and pricing principles. The guidelines and principles ensure that cost recovery and fee pricing arrangements in Victoria are transparent, efficient, equitable, effective and consistent with legislative requirements and government policy.

To achieve the objective, the proposed Regulations prescribe that:

- an appointment for a miscellaneous registration service will be charged 1.28 fee units (one fee unit is \$13.60, as at July 2015);
- an appointment for a miscellaneous licensing service will be charged 1.28 fee units;
- a vehicle defect notice clearance will be charged 1.28 fee units; and
- an application for a driver licence exemption will be charged 4.16 fee units.

The RIS, after examining a number of options, concludes that making the proposed Road Safety (Drivers) and (Vehicles) Amendment (Miscellaneous Fees) Regulations 2015 is the preferred option for cost recovery.

Public comments are invited on the RIS and accompanying Regulations. Refer to VicRoads website to download both the RIS and proposed Regulations, or email [RLRIS@roads.vic.gov.au](mailto:RLRIS@roads.vic.gov.au)

Written submissions will be received up to 5.00 pm on 18 November 2015 at the following address: Executive Director – Registration and Licensing, VicRoads, Level 1, 60 Denmark Street, Kew, Victoria 3101, or by email to [RLRIS@roads.vic.gov.au](mailto:RLRIS@roads.vic.gov.au). All submissions will be treated as public documents.
