Subordinate Legislation Act 1994

PROPOSED ENVIRONMENT PROTECTION (SCHEDULED PREMISES AND EXEMPTIONS), (INDUSTRIAL WASTE RESOURCE) AND (FEES) AMENDMENT REGULATIONS 2015

Notice of Decision

I, Lisa Neville, Minister for Environment, Climate Change and Water, give notice under section 12 of the **Subordinate Legislation Act 1994** that the proposed Environment Protection (Scheduled Premises and Exemptions), (Industrial Waste Resource) and (Fees) Amendment Regulations 2015 have been the subject of a Regulatory Impact Statement.

Public comments and submissions were invited. Five submissions were received and have been considered in accordance with section 11 of that Act. Key issues raised included the threshold for scheduling of premises, and the relative breadth and extent of proposed new standards.

I give notice of my intention to proceed with the making of the proposed regulations, with a technical amendment to the wording of the description of the scheduled premises activity, not arising from any public submission, to make it clearer that the regulatory obligations apply to premises even when the defined amount of waste tyres are only on the premises for a short period of time.

THE HON. LISA NEVILLE MP
Minister for Environment, Climate Change and Water
