## Notice of Decision

I, Martin Pakula MP, Attorney-General, give notice under section 12 of the **Subordinate Legislation Act 1994** of my decision to make the proposed Infringements Regulations 2016.

A regulatory impact statement was prepared in relation to the proposed Regulations. Thirteen submissions were received and have been considered. The key issues raised related to:

- the extent of consultation with municipal councils in the preparation of the regulatory impact statement;
- the impact on municipal council budgets of the proposed penalty reminder notice fee and lodgement fee settings;
- the assumptions, methodology and weighting approach used to calculate the fee settings;
- the fact that the lodgement fee is based on enforcement activity costing rather than fine recovery rates;
- the potential likelihood that, if the lodgement fee is raised, municipal councils will enforce more matters through the Magistrates' Court;
- a request to correct minor errors in the list of lodgeable infringement offences under the **Environment Protection Act 1970** in proposed Schedule 16; and
- the impact of infringement debt on vulnerable groups and other issues which were outside the scope of the proposed regulations and the fees analysis in the regulatory impact statement.

After consideration of the submissions, I have decided that the proposed Regulations should be made, save for minor and technical amendments for the purpose of drafting consistency and clarity and to ensure that all necessary provisions have been included in the schedules of lodgeable infringement offences.

HON. MARTIN PAKULA MP  
Attorney-General
