**1 Objective**

The objective of this Order is to prohibit, restrict or impose conditions upon the entry or importation into Victoria of PSTVd host plants.

**2 Authorising provision**

This Order is made under section 36(1) of the **Plant Biosecurity Act 2010** (the Act).

**3 Commencement**

This Order comes into force on the day of making.

**4 Revocation**

**5 Definitions**

In this Order –

**‘PSTVd host plant’** means a seed potato or any other potato intended for planting or propagation, including plants in tissue culture.

**6 Prohibitions, restrictions and conditions**

The following prohibitions, restrictions and conditions are specified in relation to the entry or importation of PSTVd host plants.

- (a) The entry or importation into Victoria of any PSTVd host plant is prohibited.
- (b) Subclause (1) does not apply if the PSTVd host plant –
  - (i) was grown on or sourced from a property that is located in a State or Territory, or part of a State or Territory, for which an area freedom certificate issued by an officer responsible for agriculture in the State or Territory where the plant was grown or sourced is currently in force certifying that the State or Territory or part of the State or Territory is known to be free of PSTVd; or
  - (ii) is produced and certified by a business accredited under the seed potato certification scheme operated by the Victorian Certified Seed Potato Authority (VicSPA); or
  - (iii) is accompanied by a plant health certificate, assurance certificate or plant health declaration, certifying or declaring that the plant has been tested or treated in accordance with the requirements described in Schedule 1.

**7 Verification of Consignments**

- (1) Where requested by an inspector, a PSTVd host plant entering or being imported into Victoria which is required by clause 6(b)(ii) to be accompanied by a certificate or declaration, must be –
  - (a) presented to an inspector for inspection; or
  - (b) verified by a person accredited to do so by the Department of Economic Development, Jobs, Transport and Resources.

**8 Expiry**

This Order remains in force for a period of 12 months after the day of making.

### Schedule 1

- (a) sampling means 200 leaves are taken at random from the crop during the growing season; and
- (b) testing means analysis in a diagnostic laboratory.

**Notes:**

Section 38 of the Act provides that it is an offence for a person to cause, permit or assist any plant, plant product, plant vector, used equipment, used package, earth material or beehive to enter Victoria in contravention of an importation under section 36. The maximum penalty of 60 penalty units applies in the case of a natural person and 300 penalty units in the case of a body corporate.
