Under section 32(2) of the **Dairy Act 2000**, Dairy Food Safety Victoria (the Authority) gives notice that it proposes to revoke the Code of Practice for Dairy Food Safety 2002 published in the Government Gazette No. G42 of 17 October 2002 (the Code).

The Authority has reviewed the currency and need for a Code of Practice. The Authority considers that the Code is unnecessary as the Code duplicates requirements imposed by the **Dairy Act 2000**, the **Food Act 1984** and other legislation; references superseded standards, manuals and requirements; and is primarily redundant as a result of the introduction of Standard 4.2.4 – Dairy primary production and processing in the Australia New Zealand Food Standards Code.

A copy of the proposed instrument revoking the Code may be:

- a) viewed at the Authority's website: [www.dairysafe.vic.gov.au](http://www.dairysafe.vic.gov.au); or
- b) obtained from the Authority at its address, Level 2, 969 Burke Road, Camberwell, Victoria, Australia 3124, Phone: 61 (3) 9810 5900, email: [info@dairysafe.vic.gov.au](mailto:info@dairysafe.vic.gov.au)

Any person may make a submission on the proposed Revocation to the Authority within two months from the date on which this notice is published in the Government Gazette or published in a daily newspaper generally circulating in Victoria, whichever date is the latter.
