Subordinate Legislation Act 1994

NOTICE OF RADIATION REGULATIONS 2017 AND THREE REGULATORY LEGISLATIVE INSTRUMENTS

Notice is given under section 12 and section 12J of the **Subordinate Legislation Act 1994** of the decision to recommend to the Governor in Council that the proposed Radiation Regulations 2017 be made; and that the Secretary makes the three legislative instruments:

- Guidelines for the verification of identity;
- Specification of security standards for security plans and transport security plans; and
- Specification of additional matters to be addressed in security plans and transport security plans.

The objectives of the proposed regulations and the three legislative instruments are to give effect to the **Radiation Act 2005**.

The regulations prescribe: activity concentration and activity of materials for the purpose of the definition of radioactive material; radiation dose limits; radiation sources that require a certificate of compliance; date of expiry of certificates of compliance; and fees for licences and other matters to give effect to the **Radiation Act 2005**.

The Regulatory Impact Statement and the Exposure Draft of proposed Radiation Regulations 2017 and the three legislative instruments were advertised for public comment.

All comments have been considered. No amendments have been made to the proposed regulations as published in the Exposure Draft for the proposed Radiation Regulations 2017. No amendments have been made to the three legislative instruments.

After the proposed Radiation Regulations 2017 are made, the three legislative instruments will be made. Copies of the Regulations and the three legislative instruments will be available from the Victorian Legislation and Parliamentary Documents website, <http://www.legislation.vic.gov.au/>
