INTERIM EXEMPTION

Application No. H41/2018

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Carey Baptist Grammar School Limited (the applicant). The application for exemption is to enable the applicant to:

- (a) Structure waiting and enrolment lists to target prospective students of either gender
 - (b) Allocate student placements
 - (c) Offer enrolments targeted at a specific gender and leave open the option to target a specific gender in relation to bursaries and scholarships
 - (d) Advertise specifically for male and female students to enter the applicant school at any year level where there is an imbalance of male and female students
- (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavit of Philip Grutzner and having had regard to an earlier exemption on similar terms granted by the Tribunal in 2012 which expired on 31 January 2018 (A201/2012), the Tribunal is satisfied that it is appropriate to grant an interim exemption from sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct until the application is finally heard and determined.

In granting this exemption, the Tribunal noted:

- Previous exemptions have been granted to the applicant in similar terms. I am not satisfied that an exception applies to the exempt conduct. Accordingly, in the absence of an exemption the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination. I am satisfied that for the purposes of this interim exemption, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an interim exemption from the operation of sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 July 2018.

DETERMINATION OF FIREWOOD COLLECTION AREAS

I, Scott Falconer, Assistant Chief Fire Officer, Loddon Mallee Region, Department of Environment, Land, Water and Planning, make the following determination under section 57U of the **Forests Act 1958**.

Each area of State forest shown hatched on a plan lodged in the Central Plan Office of the Department of Environment, Land, Water and Planning, the number of which is shown in column 1 of the item in the table in this determination, is a firewood collection area for the purposes of section 57U of the **Forests Act 1958**, effective from the opening date for that area until the closing date for that area (inclusive).

Being satisfied that it is necessary to do so for management of the supply of fallen or felled trees for domestic use as firewood in the region of the State comprising the shires of Campaspe, Gannawarra, Loddon and Swan Hill Rural City Council, I specify that only the following classes of persons (or their nominees) may cut and take away fallen or felled trees in the firewood collection area:
