EXEMPTION

Application No. H190/2018

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Wesley College Melbourne (the applicant). The application for exemption is to enable the applicant to:

- (a) advertise for students of a particular sex/gender identity to enter the school;
 - (b) structure its waiting lists on the basis of sex/gender identity;
 - (c) allocate student placements and offer enrolments to students of a particular sex/gender identity;
 - (d) offer bursaries and scholarships to students of a particular sex/gender identity;
 - (e) advertise these matters
- (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavits of Helen Drennen and Caitlin Anstee and having had regard to an interim exemption on similar terms granted by the Tribunal which expires on 3 October 2018, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- Previous exemptions have been granted to the applicant in similar terms. I am not satisfied that an exception applies to the exempt conduct. Accordingly, in the absence of an exemption the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and**

Responsibilities Act 2006 (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination. I am satisfied that for the purposes of this exemption, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 38, 44, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 3 October 2023.

Subordinate Legislation Act 1994

NOTICE OF DECISION

(Section 12)

Dangerous Goods (Transport by Road or Rail) Regulations 2018

I, Robin Scott MP, Minister for Finance and Minister responsible for administering the **Dangerous Goods Act 1985**, give notice under section 12 of the **Subordinate Legislation Act 1994** of my decision to make the proposed Dangerous Goods (Transport by Road or Rail) Regulations 2018 (the proposed Regulations).

The proposed Regulations replicate the Dangerous Goods (Transport by Road or Rail) Regulations 2008 (existing Regulations) and adopt changes in the National Model Subordinate Law on the Transport of Dangerous Goods by Road or Rail Regulations (the Model Regulations) made in May 2018 by including provisions:

- specifying transport of empty packaging requirements
- exempting mobile processing units if they are licensing under Victoria's explosives regulations and comply with the Code of Practice: Mobile processing units
- providing further concessions for the transport of specific types of lower risk limited quantity dangerous goods
- clarifying load restraint requirements for bundles of cylinders

- introducing concessions for the transport of excepted quantity dangerous goods
- aligning with the UN Recommendations on the Transport of Dangerous Goods Model Regulations (UN 20).

The proposed Regulations also introduce new prescribed fees and include other changes to improve clarity and ensure modern drafting requirements are met.

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Regulations. The RIS and proposed Regulations were made available for public comment from 26 June 2018 to 23 July 2018. Notice of the public comment period was published in the Government Gazette on 26 June 2018 and advertised in the Herald Sun newspaper on 29 June 2018. Four submissions were received.

After considering the submissions received and additional information provided by WorkSafe Victoria, I have decided that the proposed Regulations should be made with some minor mechanical drafting amendments.

NOTICE OF DECISION

Owners Corporations Regulations 2018

I, Marlene Kairouz MP, Minister for Consumer Affairs, Gaming and Liquor Regulation give notice under section 12 of the **Subordinate Legislation Act 1994** of my decision to recommend to the Governor in Council that the proposed Owners Corporations Regulations 2018 be made.

A Regulatory Impact Statement for the proposed Regulations was released for public comment from 2 August 2018 until 30 August 2018. Twelve submissions were received in response to the Regulatory Impact Statement.

I have reviewed the submissions and intend to make the proposed Regulations with the following amendments:

- removal of proposed regulation 7, which would have prescribed the Australian Accounting Standards as the standards for the preparation of annual financial statements by prescribed owners corporations, as well as consequential renumbering of provisions in light of this change
- insertion of the words ‘or reasonable explanation for’ in proposed regulation 9 (membership of committee), to avoid disadvantaging committee members who may be unable to attend meetings due to sudden illness or other such circumstances which would preclude them from notifying the committee of their absence ahead of time, and
- updates to provision references and the title of the proposed Regulations in Schedule 1.

After the proposed Regulations are made, they can be downloaded from www.legislation.vic.gov.au, or purchased from SAI Global Bookshop, 85 Buckhurst Street, South Melbourne 3205, or telephone 131 242.
