For the purposes of works activity proposed by Southern Divers Pty Ltd for a condition inspection underneath the King Street Bridge over the Yarra River, all vessels and persons are prohibited from entering or remaining in the waters of the Yarra River as detailed below, excluding vessels involved in the works and Parks Victoria vessels.

The prohibited areas are the northern span and the southern span of the King Street Bridge and will be marked by lit yellow communication buoys. During works a systematic closure of the northern and southern spans of the bridge will be required. The central bridge span will remain clear to allow for the navigation of river traffic.
