DANGEROUS GOODS (TRANSPORT BY ROAD OR RAIL) REGULATIONS 2018

Exemption

This exemption from compliance with provisions of the Dangerous Goods (Transport by Road or Rail) Regulations 2018 (DG Transport Regulations) is granted by the Victorian WorkCover Authority in accordance with Regulation 169.

Purpose:

To exempt Veolia Environmental Services Pty Ltd (ABN 20051 316 584), its agents and contractors as consignors, packers, loaders and drivers, to transport Class 3 dangerous goods in packages (IBCs) that do not meet a number of provisions of part 4 of the Australian Dangerous Goods Code (Edition 7.6) (ADG Code).

CAP Decision:

This Exemption was referred to the Competent Authorities Panel (CAP) in accordance with Regulation 175(1) of the Dangerous Goods (Transport by Road or Rail) Regulations 2018. On 4 October 2019 CAP voted to grant Veolia Environmental Services Pty Ltd an exemption from a number of provisions from Part 4 of the corresponding Model Subordinate Instrument (MSI).

Granted to:

Veolia Environmental Services Pty Ltd (ABN 20051 316 584), 15-19 McDonalds Road Brooklyn, Victoria 3012; its agents and contractors as consignors, packers, loaders and drivers.

Regulation Exempted from:**DG Transport Regulations**

In accordance with regulation 169(2) of the DG Transport Regulations, the Victorian WorkCover Authority is satisfied that:

- a) it is not reasonably practicable for Veolia Environmental Services Pty Ltd to comply with the relevant provisions;
- b) issuing the exemption is not likely to create a risk of death or injury to a person, or harm to the environment or to property, greater than would be the case if Veolia Environmental Services Pty Ltd were required to comply with the above regulations; and

Essential Services Commission Act 2001**ESSENTIAL SERVICES COMMISSION**

Notice of Inquiry: Port of Melbourne – Market Rent Inquiry 2020

The **Port Management Act 1995** (the Act) establishes the economic regulatory framework for Victoria's commercial ports.

Purpose

The Essential Services Commission (the commission) is to conduct an inquiry into the possible misuse of market power in setting and reviewing land rents at the Port of Melbourne. This is in accordance with section 53 of the Act and part 5 of the **Essential Services Commission Act 2001**.

This is the commission's first market rent inquiry and covers land rents set and reviewed during the period 1 November 2016 to 30 October 2019.

Scope of the inquiry

Under section 53 of the Act, the commission is to consider whether the Port of Melbourne has:

- market power in relation to the process for setting and reviewing land rents
- exercised market power in a way that causes material detriment to Victorian consumers (a misuse of market power).

If a misuse of market power has been established, the commission is required to make recommendations on possible economic regulation to the Assistant Treasurer.

In undertaking the inquiry, the commission is to consider the:

- process used to set and review land rents
- Port of Melbourne's compliance with this process
- extent to which the land rents paid are ultimately passed through to Victorian consumers.

Contributing to the inquiry

A scope and process paper is available on the commission website, which invites stakeholders to comment and express their views in submissions. The commission will release a draft report in January, inviting further submissions on the draft recommendations. A public hearing will also be held in Melbourne in February 2020.

Visit the commission website, www.esc.vic.gov.au for the scope and process paper, information on making submissions and the public hearing (time and location details yet to be finalised).

The commission plans to schedule some informal drop-in sessions for stakeholders to provide feedback directly, including on a confidential basis.

If you wish to be included in the commission's mailing list for this inquiry (providing information on release of commission papers and details of the public hearing), or if you would like to discuss your views in person, please email transport@esc.vic.gov.au or phone (+61 3) 9032 1300 or 1300 664 969.

Timing of the inquiry

The commission is required to provide advice to the Assistant Treasurer by 30 April 2020.
