Road Management Act 2004

ROAD MANAGEMENT PLAN – NOTICE OF REVISION AND AMENDMENT

I, John Bradley, Secretary to the Department of Environment, Land, Water and Planning (DELWP), give notice that I have reviewed and amended the DELWP Road Management Plan in accordance with Regulation 9(3) of the Road Management (General) Regulations 2016. The amended plan provides appropriate standards and priorities for the inspection, maintenance and repair of public State non-arterial roads managed by the Secretary.

Following this review I have decided, pursuant to Regulation 11(3) of the Road Management (General) Regulations 2016, to amend the Road Management Plan in a manner that does not require a notice of proposed amendment under Regulation 10, as the amendments only deal with administrative procedures or the responsibilities of a road authority, or are of a fundamentally declaratory or machinery nature.

A copy of the reviewed and amended road management plan, and a report summarising the findings and conclusions of the review, are available at <https://www.ffm.vic.gov.au/visiting-state-forests/before-you-go>

I note that it is a requirement under Regulation 13(3) Road Management (General) Regulations 2016 that I record the following on the amended Road Management Plan:

- (a) the substance of the amendment; and
- (b) the date of effect of the amendment.
