Subordinate Legislation Act 1994

NOTICE OF DECISION

Road Safety (Traffic Management) Regulations 2019

I, Jaala Pulford, Minister of Road Safety and the TAC, and Minister responsible for administering the **Road Safety Act 1986** (the Act), give notice under section 12 of the **Subordinate Legislation Act 1994** of my decision to make the proposed Road Safety (Traffic Management) Regulations 2019 (the proposed regulations).

The overall objectives of the proposed Regulations are to:

- set out the responsibilities of road authorities and other bodies exercising road management functions in relation to the installation, operation and maintenance of traffic control devices; and
- regulate the carrying out of activities on roads; and
- prescribe the requirements for a traffic management plan.

The proposed Regulations also prescribe fees for applications for a memorandum of authorisation from VicRoads and a non-road activity permit.

The proposed Regulations will replace the existing Road Safety (Traffic Management) Regulations 2009 which sunset on 27 October 2019 under section 5 of the **Subordinate Legislation Act 1994**.

The proposed Regulations have been the subject of a Regulatory Impact Statement (RIS). The RIS was made available for public comment and submissions from 18 June 2019 until 30 July 2019. Six submissions were received.

After consideration of these submissions in accordance with section 11 of the **Subordinate Legislation Act 1994**, I have further considered the proposed Regulations and I give notice of my intention to proceed with the making of the proposed Regulations in the same form, with the inclusion of some minor and technical amendments. Based on analysis of the issues raised in the submissions, I consider that the submissions did not raise any new issues or information that was not already examined and considered in the RIS, or that would warrant the Regulations not being made as proposed.

After the proposed Regulations are made, they can be downloaded from www.legislation.vic.gov.au or purchased from the TIMG Bookshop.

Dated 23 September 2019

HON. JAALA PULFORD MP
Minister for Road Safety and the TAC
