Subordinate Legislation Act 1994

NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT

Proposal to Remake Five Existing Designated Area Orders (Orders) for a Period of Ten Years

Notice is given that, in accordance with section 12I of the **Subordinate Legislation Act 1994**, a Regulatory Impact Statement (RIS) has been prepared in relation to a proposal to remake five existing Orders covering the Central Business District areas of Mildura, Footscray, Colac, Mornington and Sunshine for a period of ten years. The Orders are currently made for a period of 12 months.

Under section 147 of the **Liquor Control Reform Act 1998** (the LCR Act), the Victorian Commission for Gambling and Liquor Regulation may declare an area to be a designated area for the purposes of Part 8A of the LCR Act if it believes that alcohol-related violence or disorder has occurred in a public place that is in the immediate vicinity of licensed premises within the area and the exercise of powers under Division 2 or 3 of Part 8A of the LCR Act in relation to the area is reasonably likely to be an effective means of reducing or preventing the occurrence of alcohol-related violence or disorder in the area.

Once an area has been declared to be a designated area, a police officer may give a person a notice under section 148B of the LCR Act banning that person from the area, or from all licensed premises in the area, for up to 72 hours from the time the notice is given to the person, if they suspect on reasonable grounds that the person is committing or has committed a specified offence as defined in section 3 of the LCR Act, wholly or partly in the area. In addition, a court may make an order under section 148I of the LCR Act to exclude a person who has committed a specified offence, as defined in section 3 of the LCR Act, wholly or partly in the area, from the area, all licensed premises in the area, specified licensed premises in the area, or licensed premises of a specified class in the area, for up to twelve months.

The impact of remaking the Orders as proposed and possible alternatives are examined in the RIS, and it is concluded that remaking the Orders as proposed is the most efficient and effective method of meeting the relevant objects of the LCR Act, particularly the primary object of harm minimisation, and supporting a long-term strategy to reduce or prevent the occurrence of alcohol-related violence or disorder in the identified areas.

You can obtain a copy of the RIS and the remade Orders as proposed (including maps) by: downloading them at www.vcglr.vic.gov.au; emailing designatedareas@vcglr.vic.gov.au; or calling the Victorian Commission for Gambling and Liquor Regulation on 1300 182 457.

The purpose of this notice is to invite public comments on the RIS and the remaking of the Orders as proposed. All comments must be in writing, and should be marked 'Designated Areas RIS', and received at the following addresses by no later than midnight on Friday 19 June 2020 by: email to – designatedareas@vcglr.vic.gov.au; or post to – Designated Areas 2020 RIS Submissions, Policy Unit, Victorian Commission for Gambling and Liquor Regulation, GPO 1988, Melbourne Victoria 3001.

All submissions will be treated as public documents.
