The purpose of the Swan Hill Rural City Council Community Local Law No. 2 2017 (Amendment) is to:

- a) provide peace, order and good governance to the municipal district;
- b) provide a safe and healthy environment so that the community can enjoy a quality of life that meets its expectations;

Clause 53 – Dangerous and unsightly land – page 32 of Local Law No. 2 (Amendment)

Proposed change to increase the height limit for grass and weeds for fire hazardous and unsightly properties.

Clause 55 – Open air burning – page 33 of Local Law No. 2 (Amendment)

Proposed changes include adding ‘industrial’ areas to the prohibited burning zone; include maps of fire restriction zones to make it clearer

for residents, and the option for conditional burning permits to be issued for exceptional circumstances.

EXEMPTION

Application No. H174/2020

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Torquay Bowls Club Inc. (the applicant). The application for exemption is to enable the applicant to organise and operate each year two women only and two men only lawn bowls tournaments and advertise those matters (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavit of Allan Murphy and having heard from a representative of the applicant at a directions hearing on 6 July 2020, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 44, 71, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The applicant wishes to continue to conduct two women only and two men only bowls tournaments each year. The applicant has been holding these tournaments for some 45 years and wishes to continue to do so. The tournaments are intended to provide an opportunity for members of the applicant club to engage in the game of bowls with their own gender. In particular, the applicant

hopes that the women only days will increase the participation of women at the applicant club, including participating in mixed pennant bowls competitions. Other than the four tournaments which are the subject of this application, the applicant club provides opportunities for women and men to play in mixed gender pennant competitions.

- While acknowledging that the applicant club is particularly concerned to increase the participation of women in the sport, I am not satisfied on the material before me that any of the exceptions contained in the Act applies to the conduct. Without an exemption, the exempt conduct would amount to prohibited discrimination.
- When making decisions about exemptions, the Tribunal is required to consider properly the relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and in particular the right to equal and effective protection against discrimination of women or men who wish to participate in the two tournaments restricted to the other gender. I am satisfied that for the purposes of this exemption, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 44, 71, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from 16 July 2020 until 15 July 2025.

Notice of Proposed Common Seal and Meeting Conduct Local Law

Notice is hereby given that Council, at its meeting of 8 July 2020, resolved to give public notice of its intent to make a new Common Seal and Meeting Conduct Local Law. Such notice is given in accordance with section 119 of the **Local Government Act 1989** (the Act).

The Council has commenced the process of developing the new Common Seal and Meeting Conduct Local Law to replace Meeting Procedure Local Law 2018. The review has been undertaken by Council officers from all relevant departments and consultation with Council.

With the development of new Governance Rules as part of the implementation of the **Local Government Act 2020**, many elements of the Governance Rules are derived from the Meeting Procedures Local Law 2018. It is proposed that the new Governance Rules will embed the meeting procedures of Council; and thus, replicate the Meeting Procedure Local Law 2018. Therefore, in order to prevent duplication between the instruments, it is proposed that the remaining elements that are still required in the Meeting Procedure Local Law be developed into the new Common Seal and Meeting Conduct Local Law.

The draft Common Seal and Meeting Conduct Local Law has been prepared with reference to the state government's guidelines for local laws.

The matters addressed by the proposed Common Seal and Meeting Conduct Local Law include the following:

- Regulation and use of Council's Common Seal;
- Meeting conduct requirements; and
- Offences.

A copy of the draft Common Seal and Meeting Conduct Local Law together with a Community Impact Statement has been prepared and are available for viewing on the City of Ballarat's website and for inspection at the Ballarat Library, 178 Doveton Street North, Ballarat.

Any person may make a written submission to Council under section 223 of the **Local Government Act 1989**.

Written submissions must be received by the City of Ballarat by 5.00 pm, 5 August 2020.

Written submissions should be addressed to the Executive Manager Safety, Risk and Compliance Services, City of Ballarat, and sent by mail to: PO Box 655, Ballarat 3353.

Any person who has made a submission under section 223 of the Act and has requested to be heard in support of their written submission, is entitled to appear in person or to be represented by a person specified in the submission before the Council. Submissions to be heard will be presented at the 12 August Ordinary Council meeting. The proposed Local Law will be then considered at the additional Council meeting to be held on 26 August 2020. The time and place of the Council meeting will be advised in writing.

Details of submissions may also be included within the official Council Agendas and Minutes which are public documents, and which may also be made available on Council's website.

Council will consider any written submission in accordance with section 223 of the Act.

Any person requiring further information should direct their enquiries to Cameron Montgomery, Executive Manager Safety, Risk and Compliance Services, on (03) 5320 5500 or via email: governance@ballarat.vic.gov.au
