GREATER SHEPPARTON CITY COUNCIL

Notice of Intention to Make a Local Law

Proposed Local Law No. 2 –

Conduct at Meetings and Common Seal

Notice is given pursuant to sections 119 and 223 of the **Local Government Act 1989** (the Act) that the Greater Shepparton City Council proposes to make a new Local Law No. 2 – Conduct at Meetings and Common Seal ('the proposed local law').

The purpose and general purport of the proposed local law is to regulate the use of Council's common seal and to govern the conduct of meetings of the Council and Delegated Committees.

A copy of the proposed local law and community impact statement can be obtained from Council offices, 90 Welsford Street, Shepparton during office hours. Alternatively you can view a copy online at www.greatershepparton.vic.gov.au

Any person may make a written submission on the proposed Local Law to Council. All submissions received will be considered in accordance with section 223 of the **Local Government Act 1989**. Only submissions received by Council by 5.00 pm on 28 August 2020 shall be considered.

Any person may, in their written submission, request to be provided with an opportunity to make a verbal representation, or have someone make the representation on their behalf, in support of their submission before a meeting of the Council.

Where a person wishes to be heard by Council they must advise of such in their written submission. An additional virtual Council Meeting will be scheduled for this purpose if required, on 8 September 2020 at 1.00 pm.

Written submissions should be marked 'Proposed Local Law No. 2 – Conduct at Meetings and Common Seal (proposed Local Law)' and addressed to Darryl Hancock, Manager Corporate Governance, Greater Shepparton City Council, Locked Bag 1000, Shepparton, Victoria 3632.

Written submissions may also be hand delivered to: Greater Shepparton City Council, 90 Welsford Street, Shepparton.

Submissions will also be accepted via email to council@shepparton.vic.gov.au

Please note that copies of submissions (including submitters' names and addresses) will be made available at the Council meeting at which the above proposal will be considered. Council will also make submissions available for public inspection for a period of twelve months.

Further information regarding the draft Local Law can be obtained by telephoning Darryl Hancock on (03) 5832 9700.

Plant Biosecurity Act 2010**ORDER PROHIBITING OR RESTRICTING THE ENTRY OR IMPORTATION INTO VICTORIA OF MATERIALS WHICH ARE HOSTS OF POTATO SPINDLE TUBER VIROID**

I, Rosa Crnov, as delegate of the Minister for Agriculture, being of the reasonable suspicion that the exotic disease potato spindle tuber viroid (PSTVd) exists within Australia but outside Victoria, make the following Order.

1 Objective

The objective of this Order is to prohibit, restrict or impose conditions upon the entry or importation into Victoria of materials which are hosts of PSTVd.

2 Authorising provision

This Order is made under section 36(1) of the **Plant Biosecurity Act 2010** (the Act).

3 Commencement

This Order comes into force on the day of making.

4 Revocation

The Order entitled *Order prohibiting or restricting the entry or importation into Victoria of materials which are hosts of potato spindle tuber viroid* made under section 36(1) of the **Plant Biosecurity Act 2010**, and published in Victoria Government Gazette G32 on 8 August 2019 at pages 1654–1655 is **revoked**.

5 Definitions

In this Order –

‘**host material**’ means a seed potato or any other potato intended for planting or propagation, including plants in tissue culture.

6 Prohibitions, restrictions and conditions

The following prohibitions, restrictions and conditions are specified in relation to the entry or importation of host materials.

- (a) The entry or importation into Victoria of any host material is prohibited.
- (b) Subclause (a) does not apply if the host material –
 - (i) originates from an area for which there is currently in force an area freedom certificate, being a certificate issued by an officer responsible for agriculture in the State or Territory from which the host material originated, certifying that the area from which the host material originated is known to be free of PSTVd; or
 - (ii) is produced and certified by a business accredited under the seed potato certification scheme operated by the Australian Seed Potato Industry Certification Authority (AuSPICA); or
 - (iii) is accompanied by a plant health certificate, assurance certificate or plant health declaration, certifying or declaring that the host material has been tested or treated in a manner prescribed in the Schedule to this Order; or
 - (iv) enters Victoria under and in accordance with a permit issued by an inspector and there is compliance with any conditions or requirements set out in the permit.

7 Verification of consignments

Where requested by an inspector, host material entering or being imported into Victoria which is required by clause 6(b)(iii) to be accompanied by a certificate or declaration, must be –

- (a) presented to an inspector for inspection; or
- (b) verified by a person accredited to do so by the Department of Jobs, Precincts and Regions.

8 Expiry

This Order remains in force for a period of 12 months after the day of making.

Schedule

Host materials must be sourced from a crop which has been sampled and tested, and found free of PSTVd; where –

- (a) sampling means 200 leaves are taken at random from the crop during the growing season; and
- (b) testing means analysis in a diagnostic laboratory.

6 Prohibitions, restrictions and conditions

The following prohibitions, restrictions and conditions are specified in relation to the entry or importation of host materials.

- (a) The entry or importation into Victoria of any host material is prohibited.
- (b) Sub-clause (a) does not apply if the host material –
 - (i) originates from an area for which there is currently in force an area freedom certificate, being a certificate issued by an officer responsible for agriculture in the State or Territory from which the host material originated, certifying that the area from which the host material originated is known to be free of blueberry rust; or
 - (ii) is accompanied by a plant health certificate, assurance certificate or plant health declaration, certifying or declaring that the host material has been treated in a manner prescribed in the Schedule to this Order; or
 - (iii) enters Victoria under and in accordance with a permit issued by an inspector and there is compliance with any conditions or requirements set out in the permit.

7 Verification of consignments

Where requested by an inspector, host material imported into Victoria which is required by clause 6(b)(ii) to be accompanied by a certificate or declaration, must be:

- (a) presented to an inspector for inspection; or
- (b) verified by a person accredited to do so by the Department of Jobs, Precincts and Regions.

8 Expiry

This Order remains in force for a period of 12 months after the date of making.

Schedule

Host material must –

- (1) in the case of fruit of *Vaccinium* spp, be –
 - (a) sourced from a crop which has been sprayed within 14 days prior to harvest with a pre-harvest application of a fungicide –
 - (i) registered for the treatment of blueberry rust as per label recommendations; or
 - (ii) in accordance with an approved Australian Pesticides and Veterinary Medicines Authority (APVMA) permit; and
 - (iii) undergo an inspection at the rate of 600 berries per variety per consignment and found to be free of the symptoms of blueberry rust and a minimum of 2% of packages inspected and found free of soil and organic matter; or
 - (b) sourced from a property accredited as a Pest Free Place of Production which includes –
 - (i) operating under a Farm Biosecurity Plan; and
 - (ii) a property inspection at least every 14 days, commencing at least 14 days prior to harvest; and
 - (iii) inspection at a minimum of 2% of packages, with a minimum of 600 pieces, and found free of the symptoms of blueberry rust; or
- (2) in the case of host plants (excluding plants of *Vaccinium* spp.), be inspected within 14 days prior to dispatch to Victoria, and no blueberry rust detected; or
- (3) in the case of blueberry fruit grown and packed in New Zealand, be accompanied by a copy of the original phytosanitary certificate certifying compliance with requirements prescribed in clause (1)(a)(i); or
- (4) in the case of agricultural equipment and used packages, be cleaned free of soil and organic matter; and
 - (a) steam cleaned; or
 - (b) disinfected with a solution containing not less than 100 ppm available chlorine used as a spray rinse or drench treatment.
