## ADOPTED GOVERNANCE RULES

Notice is given that at a meeting held of the Strathbogie Shire Council on 25 August 2020, the Council resolved to adopt Governance Rules under section 60 of the **Local Government Act 2020** (the Act).

### Purpose of the Governance Rules:

The purpose of the Governance Rules is to:

- outline processes for Councillors, committee members and staff to declare conflicts of interest;
- provide for Council's Election (Caretaker) Period Policy;

- identify processes for the election of Mayor and (if required) Deputy Mayor and Chairs of Delegated Committees or Community Asset Committees;
- set out procedures for Council meetings, including the Audit and Risk Committee, any Delegated Committees and Community Asset Committees.

### **General purport of the Governance Rules:**

Chapter 1 outlines processes to ensure orderly and inclusive Council meetings, which in turn support good governance and sound decision making. Community participation in Council meetings has been broadened to reinforce the importance of community input into our decision-making processes. The same meetings procedures apply to all Delegated Committees, Community Asset Committees and the Audit and Risk Committee unless otherwise resolved by Council. Procedures for the election of the Mayor and Deputy Mayor are also outlined in Chapter 1.

Conflicts of interest must be declared by Councillors, members of Committees and Council Staff (either providing advice to a Council or Committee meeting or making decisions under delegated powers). Chapter 2 sets out the process for transparently declaring these interests in accordance with the Act.

Chapter 3 deals with more informal meetings of Councillors and how records of those in attendance and a summary of the matters discussed at these meetings are to be made available to the public through the Council agenda and minutes. This chapter also deals with the classification of information as confidential by the Chief Executive Officer to ensure there is continuity with the 1989 Act.

The Election (Caretaker) Period Policy is outlined in Chapter 4 and is essentially the same as that adopted by Council in March 2020, with minor amendments to reflect the passing of the 2020 Act.
