**NOTICE OF ADOPTED LOCAL LAW NO. 2
2020 – REVISED NOVEMBER 2020**

Local Law No. 2 2020 Processes of Municipal Government – Meeting Procedure and the Common Seal – Revised November 2020

South Gippsland Shire Council has adopted Local Law No. 2 2020 Processes of Municipal Government (Meeting Procedures and Common Seal) – Revised November 2020.

The purpose and general purport of the revised local law are –

1. Repeal extensive sections of Local Law No. 2 made redundant through the adoption of the South Gippsland Shire Council Governance Rules 2020 in August 2020;
2. Retain some clauses without change;
3. Make minor amendments to several clauses, including Clauses 105, 108 and 109, to align these clauses so they remain current at all times with the **Infringements Act 2006**. This reduces the likelihood of Local Law No. 2 2020 being worded contrary to a related piece of legislation.

The retained ‘Objectives in Local Law No. 2 2020’ are to:

- a. regulate and control the procedures governing the conduct of meetings;
- b. provide for the administration of the Council’s powers and functions;
- c. provide generally for the peace, order and good government of the municipal district; and
- d. repeal any redundant Local Laws.

A copy of the Local Law No. 2 2020 Processes of Municipal Government – Meeting Procedure and the Common Seal – Revised November 2020, is accessible on Council’s website at www.southgippsland.vic.gov.au. A copy of the Local Law No. 2 2020 may be inspected or requested at the Council offices once the restrictions for COVID-19 have been removed.

Essential Services Commission Act 2001

NOTICE OF VICTORIAN DEFAULT OFFER PRICE DETERMINATION 2021

The Essential Services Commission (commission) gives notice under section 35(2) of the **Essential Services Commission Act 2000** (Vic.) (ESC Act) that it has made a determination under section 33 of the ESC Act in respect of the tariffs which persons licenced to sell electricity in Victoria (retailers) may charge domestic or small business customers during the applicable regulatory period under standing offers made available under section 35 of the **Electricity Industry Act 2001** (Vic.) (EI Act), or the manner in which such tariffs are to be determined or calculated.

The applicable regulatory period is 1 January 2021 to 31 December 2021.

The determination:

- (a) gives effect to the requirements of the Order in Council (Order) made under section 13 of the EI Act and published in the Government Gazette No. S 208 on 30 May 2019, and specifically the requirements of clause 10 of the Order;
- (b) specifies for each electricity distribution zone in Victoria:
 - (i) the tariffs a retailer may charge domestic or small business customers under a flat tariff standing offer during the applicable regulatory period;
 - (ii) the VDO compliant maximum bill amount that a domestic or small business customer is to pay under a non-flat tariff standing offer for that regulatory period;
- (c) facilitates the achievement of the objective of the Order that there be a simple, trusted and reasonably priced electricity option that safeguards consumers who are unable and unwilling to engage in the electricity retailer market.

The determination takes effect from 1 January 2021.

The General Exemption Order, made under section 17 of the **Electricity Industry Act 2000** and published in the Government Gazette No. S 390 on 15 November 2017, empowers the commission to formulate maximum prices at which electricity and related services may be sold or supplied by specified sellers in embedded networks. Pursuant to an existing decision of the commission made on 28 July 2020 (and available on the commission's website), maximum prices for specified sellers will automatically update on 1 January 2021, consequent upon and to align with the 2021 VDO price determination.

The determination and accompanying final decision paper is available on the commission's website located at <https://www.esc.vic.gov.au>. Alternatively, copies may be obtained by calling the commission on 1300 664 969.
