## **Planning and Environment Act 1987** **VICTORIA PLANNING PROVISIONS**

### **Notice of Approval of Amendment** **Amendment VC191**

The Minister for Planning has approved Amendment VC191 to the Victoria Planning Provisions (VPP) and all planning schemes in Victoria.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

The Amendment changes the VPP and all planning schemes in Victoria by: clarifying the application of the existing permit, notice and third-party review exemptions for cladding rectification in Clause 52.01 ('Combustible cladding rectification exemptions') so that they explicitly apply to government-owned buildings. The permit exemption applies to all permit requirements in the planning scheme, including the Heritage Overlay and other overlays, and seeks to remove any doubt about whether a permit is required for rectification works on government buildings.

The Amendment is available for public inspection on the Department of Environment, Land, Water and Planning (DELWP) website, [www.planning.vic.gov.au/public-inspection](http://www.planning.vic.gov.au/public-inspection)
