Planning and Environment Act 1987
VICTORIA PLANNING PROVISIONS

Notice of Approval of Amendment
Amendment VC192

The Minister for Planning has approved Amendment VC192 to the Victoria Planning Provisions (VPP) and all planning schemes in Victoria.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

The Amendment changes the VPP and all planning schemes in Victoria by: amending clause 72.01-1 to the Victoria Planning Provisions and all schemes to make the Minister for Planning the responsible authority for all large energy generation facilities and electrical utility installations, including large renewable energy facilities and large scale battery facilities that store electricity from any source. This will increase clarity, provide for consistent and faster decision making and better oversight of Victoria's electricity generation, distribution and storage.

The Amendment is available for public inspection on the Department of Environment, Land, Water and Planning (DELWP) website, www.planning.vic.gov.au/public-inspection
