**GOVERNMENT AND OUTER BUDGET  
SECTOR AGENCIES NOTICES**

*City of*  
**KINGSTON**

**KINGSTON'S COASTAL AND MARINE MANAGEMENT PLAN**

Kingston's coastline provides a wide range of recreational, economic and lifestyle opportunities, attracting locals and visitors all year around. These are supported by facilities, infrastructure and management initiatives that maintain open space in Kingston, preserve areas of cultural importance and protect and enhance the City's sensitive and unique environments.

Kingston's Coastal and Marine Management Plan (CMMP) will help guide appropriate and effective management of Kingston's marine and coastal areas. With increasing pressures from development and growth, a changing climate and aging and inadequate infrastructure, a range of initiatives are needed to appropriately balance the management of social, cultural, environmental, and economic values of our coastline, ensuring it remains a desirable place to live, work and visit.

The CMMP includes:

- a vision and objectives reflecting community and stakeholder sentiment, and aligning with legislative direction;
- the values and future aspirations for Kingston's coastal and marine areas;
- current and emerging issues, including those which may potentially threaten values;
- potential opportunities, priority actions and projects for delivery, over the next 5–10 years;
- an implementation pathway and monitoring framework.

The plan is intended to reflect the interests of the Kingston community. This includes all those who enjoy, use, care for and rely upon Kingston's coastal and marine areas – our residents, businesses, workforce, visitors and Council.

Endorsed by Council in September 2021, the plan is now being placed on public exhibition, for a 4-week period Wednesday 22 September to Wednesday 20 October.

Council welcomes feedback from the Kingston community and stakeholders on the Final Plan, which can be viewed at [www.yourkingstonyoursay.com.au/cmmp](http://www.yourkingstonyoursay.com.au/cmmp)
