The Local Law has been carefully constructed so as not to criminalise social or

economic disadvantage or chronic health issues, nor to create barriers to seeking or receiving support from appropriate health and social services. Authorised Officers are instructed to comply with the requirements set out in the Memorandum of Understanding (in the case of Victoria Police) and the General Local Law Procedures and Protocols Manual.

The general effect of the Local Law is to prohibit the consumption of liquor:

- in Yarra's public parks and reserves between 9 pm and 9 am on the following day;
- on the footpath adjoining a licensed venue when it is open and trading, except where the venue mainly sells takeaway liquor (like bottleshops);
- within 10 metres of the entrance and exit for public buildings or facilities that provide services to families and children (including libraries and leisure centres);
- around New Year's Eve, from 9 pm on 30 December to 9 am 1 January;
- around Swan Street in Cremorne and Richmond during AFL Grand Final weekend, from 9 pm the day before until 9 am the day after AFL Grand Final day;
- while on any road, including when in a vehicle; and
- in a public place prescribed by resolution of Council.

The Local Law creates an offence of failing to comply with a direction given by an Authorised Officer to cease the consumption of liquor, seal the container of liquor or dispose of the liquor.

The Local Law will commence operation on 19 October 2021. Copies of the Local Law may be inspected on Council's website at www.yarracity.vic.gov.au/local-laws and during office hours at Council's Customer Service Centre at 333 Bridge Road, Richmond. Please be aware that access to Council's offices may be limited as a result of COVID-19.

Authorisation of Police

Notice is given, pursuant to section 224A(2) of the **Local Government Act 1989**, that any police officer may enforce the provisions of the Yarra City Council General Local Law relating to the use, possession or consumption of alcohol.
