By Authority of Victorian Government Printer

Planning and Environment Act 1987 **VICTORIA PLANNING PROVISIONS**

Notice of Approval of Amendment Amendment VC185

The Minister for Planning has approved Amendment VC185 to the Victoria Planning Provisions (VPP) and all planning schemes in Victoria.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

The Amendment changes the VPP and all planning schemes in Victoria by: introducing the Macedon Ranges Statement of Planning Policy (MRSPP) at Clause 51.07, listing the Great Ocean Road Coast and Parks Authority committee of management as public land manager in relevant provisions and introducing a transition provision for applications made prior to approval of Amendment VC192.

The Amendment introduces the MRSPP into the Macedon Ranges planning scheme with associated consequential and administrative changes to other provisions, and gives effect to the Hanging Rock Strategic Plan in local policy.

The Amendment also modifies Clause 72.01-1 (Minister is responsible authority) to make transitional provisions that enable an application lodged, or permit issued, for the use and development of land for a energy generation facility or a utility installation to be determined by the council instead of the Minister for Planning if made prior to the approval date of Amendment VC192, gazetted 16 November 2020.

The Amendment is available for public inspection on the Department of Environment, Land, Water and Planning (DELWP) website www.planning.vic.gov.au/public-inspection or by contacting 1800 789 386.
