Environment Protection Act 2017

SIGNIFICANT DEVELOPMENT LICENCE CRITERIA

I, Lily D'Ambrosio, Minister for Energy, Environment and Climate Change and Minister responsible for administering the **Environment Protection Act 2017**, determine, for the purposes of the definition of *significant development licence application* in Regulation 4 of the Environment Protection Regulations 2021, the following criteria:

- The Chief Environmental Scientist, in consultation with the Chief Health Officer, reasonably believes that:
 - (a) the Department of Health has particular expertise that would assist the Environment Protection Authority in its assessment of the development licence application; and
 - (b) therefore, the application should be considered by the Secretary to the Department of Health.

This determination comes into effect on 1 July 2021.

Dated 22 June 2021
