Standing Offer Charges

The following tariffs apply to the sale of electricity in accordance with section 35, section 37 and section 39 of the **Electricity Industry Act 2000** and are effective from 1 September 2021 for Residential and Small Business customers. Public lighting and miscellaneous tariffs are effective from 1 October 2021.

Origin is changing our standing offer electricity charges from 1 September 2021 mainly due to a change in network costs, and on 1 October 2021 for public lighting and miscellaneous charges mainly due to network costs and the implementation of the 5 Minute and Global Settlement rule change.
