## Marine Safety Act 2010

Section 193(3)(b)(ii)

### ADVICE IN RELATION TO A NOTICE OF INTENTION TO REQUEST A WATERWAY RULE

I, Shaun Rodenburg, Director Maritime Safety (delegate of the Director, Transport Safety), hereby advise under section 193(3)(b)(ii) of the **Marine Safety Act 2010** that the proposed waterway rule for Lake Lascelles as submitted by Lake Lascelles and Corrong Committee of Management on 5 April 2022 is of a material nature and that Lake Lascelles and Corrong Committee of Management must comply with section 196 of the **Marine Safety Act 2010** before making a request for the making of the rule under section 194 of the **Marine Safety Act 2010**.

Section 196 of the **Marine Safety Act 2010** requires Lake Lascelles and Corrong Committee of Management to invite submissions and comments in relation to the proposed requests from the public. An exemption has been provided under section 260(1) of the **Marine Safety Act 2010** for the requirements as detailed in section 196(2)(a)(i) and section 196(2)(b) as compliance would, in the particular circumstances, be substantially complied with and the purpose of the requirement will be adequately achieved by Yarriambiack Shire Council publishing the waterway rule proposal on its internet site and making copies of the proposal available at the Council's offices.
