Offshore Petroleum and Greenhouse Gas Storage Act 2010

OFFSHORE PETROLEUM AND GREENHOUSE GAS STORAGE REGULATIONS 2011

Instrument of Delegation

I, Jaala Pulford MP, Minister for Resources, pursuant to the power of delegation in section 792(1) of the **Offshore Petroleum and Greenhouse Gas Storage Act 2010** (the Act), delegate to all persons holding, occupying or performing the duties of the positions specified in Column 1 of the Table in Schedule 1 to this Instrument of Delegation, all the powers or functions under the Act and the Offshore Petroleum and Greenhouse Gas Storage Regulations 2011 specified and described in Column 2 subject to any conditions specified in column 3 of the Table in Schedule 1 to this Instrument of Delegation.

The descriptions in Column 2 of the Table in the Schedule are for convenience only and do not affect the nature or extent of the power or function to which the description refers and do not impose any special conditions on the exercise thereto.

I revoke all previous Instruments of Delegation under section 792(1) of the Act. This Instrument of Delegation commences on signing.

Dated 17 December 2021

JAALA PULFORD MP
Minister for Resources

Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 19 – Declare a terminal point by notice published in the Government Gazette	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 20 – Declare a declared greenhouse gas facility by notice published in the Government Gazette	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 34(a) – Agree with relevant parties that a valve station is the wellhead for the purposes of the Act.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 34(b) – If no agreement, determine a valve station to be the wellhead for the purposes of the Act.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 35 – Determine the value of petroleum at the wellhead	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 36 – Approve measuring device and place for installation of device to ascertain quantity of petroleum recovered and determine quantity of petroleum recovered.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 52 – Agree with title holder respective proportions of petroleum recovered in a pool straddling two title areas and apply to Supreme Court to determine respective proportions of petroleum recovered.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 53 – Agree with titleholder and Joint Authority proportion of petroleum recovered from a pool straddling State and Commonwealth title areas and apply to the Supreme Court to determine proportion of petroleum recovered.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 54 – Agree with titleholder and other State Minister proportion of petroleum recovered from a pool straddling two State title areas and apply to the Supreme Court to determine proportion of petroleum recovered.	

Column 1 Delegates	Column 2 Powers or Functions Delegated	Column 3 Conditions
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 60E – Provide consent to granting an offer document for a cross-boundary greenhouse gas holding lease.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 60F – Provide consent to granting an offer document for cross-boundary greenhouse gas injection licence.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 60G – Provide consent to the Cross-Boundary Authority for the renewal of a cross-boundary greenhouse gas assessment permit or cross-boundary greenhouse gas holding lease.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 74 – Grant a petroleum exploration permit subject to conditions.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 77 – Vary a declared petroleum exploration permit by imposing one or more conditions.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 77A – Vary a boundary- change petroleum exploration permit by imposing one or more conditions	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 78 – Approve or refuse to approve the carrying on of one or more key petroleum operations under a declared petroleum exploration permit.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 83 – Determine that a petroleum exploration permit is a declared petroleum exploration permit (by written notice to permittee) and revoke a determination of a declared petroleum exploration permit (by written notice to permittee).	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 86 – Invite applications for the grant of a petroleum exploration permit over the block, or any or all of the blocks, specified in the notice and specify time limits in which applications must be made.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 87 – Give applicant for a work-bid petroleum exploration permit an offer document or notice of refusal to grant permit.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 88 – Where two or more applications, give an offer document to whichever applicant is most deserving of the grant of the petroleum exploration permit.	

Column 1 Delegates	Column 2 Powers or Functions Delegated	Column 3 Conditions
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 89 – Rank applicants for a petroleum exploration permit and exclude applicants considered undeserving.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 90 – Grant a petroleum exploration permit over the block or blocks specified in the offer document where applicant has made a request.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 93 – Invite applications by way of cash-bidding for the grant of a petroleum exploration permit and specify period for making applications.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 94 – Give applicant for a cash-bid petroleum exploration permit an offer document or notice that the application is rejected.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 95 – Reject any or all applications for the grant of a cash-bid petroleum exploration permit where two or more applications have been made.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 96 – Grant a cash-bid petroleum exploration permit over the block or blocks specified in the offer document.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 98 – Invite applications for a special petroleum exploration permit over block or blocks where lease or licence has been surrendered, cancelled or revoked.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 99 – Give applicant for a special petroleum exploration permit an offer document or notice that the application is rejected.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 100 – Reject or accept any or all of the applications for a special petroleum exploration permit where two or more applications have been made.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 101 – Grant special petroleum exploration permit where applicant has been given offer document and made a request and paid the balance in time.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 102 – Accept an application for renewal of a petroleum exploration permit made late.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 108 – Give the applicant an offer document for renewal of a petroleum exploration permit.	

Column 1 Delegates	Column 2 Powers or Functions Delegated	Column 3 Conditions
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 109 – Refuse to renew a petroleum exploration permit if conditions not met.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 110 – Renew a petroleum exploration permit where applicant has complied with conditions.	
Executive Director, Earth Resources Regulation Director, Statutory Authorisations	Section 113 – Require a petroleum exploration permittee to nominate a block or blocks and allow a longer period for a petroleum exploration permittee to nominate block or blocks and nominate the block or blocks for declaration as a location.
