Conservation, Forests and Lands Act 1987

NOTICE OF VARIATION OF THE CODE OF PRACTICE FOR TIMBER PRODUCTION 2014

Notice is given that, in accordance with section 37 of the **Conservation, Forests and Lands Act 1987**, the Code of Practice for Timber Production 2014 (Code) has been varied by the Variation of the Code of Practice for Timber Production 2014 (No. 1/2022).

The Code of Practice for Timber Production 2014 provides direction to timber harvesting managers and operators on both public and private land to deliver sound environmental performance when undertaking commercial timber harvesting. The variation to the Code includes legal amendments to clarify the government's policy intent for how some parts of the Code operate. It also moves the Management Standards and Procedures for timber harvesting operations in Victoria's State forests 2021 – previously an incorporated document – into the Code itself.

A copy of the consolidated Code of Practice for Timber Production 2014 and the instrument of variation may be obtained by:

- downloading from the Department of Environment, Land, Water and Planning website: www.forestsandreserves.vic.gov.au;
- emailing forest.regulation@delwp.vic.gov.au; or
- phoning the Customer Service Centre on 136 186.

HON. LILY D'AMBROSIO MP
Minister for Energy, Environment and Climate Change
