## Drugs, Poisons and Controlled Substances Act 1981

### PUBLIC HEALTH EMERGENCY ORDER UNDER SECTION 22D (PHEO #17)

I, Professor Euan Wallace, Secretary to the Department of Health, pursuant to section 22G of the **Drugs, Poisons and Controlled Substances Act 1981**, extend and amend the Public Health Emergency Order (PHEO #17) published in the Victorian Government Gazette on 9 February 2022 in the belief that it is necessary to do so to prevent or respond to, a serious risk to public health posed to the State of Victoria by severe acute respiratory syndrome coronavirus 2 (**SARS-CoV-2**).

The purpose of this Order is to address the public health emergency posed by the ongoing global SARS-CoV-2 pandemic, which is currently affecting the State of Victoria.

In furtherance of that purpose, this Order is intended to facilitate the supply by the **Australian Government Department of Health** of COVID-19 anti-viral treatments from the **National Medical Stockpile** by authorising **residential aged care facilities** to obtain and possess or supply:

Schedule 4 poisons entered in the **Register** and indicated for the treatment of SARS-CoV-2, in accordance with the conditions outlined in this Order.

All **residential aged care facilities**, irrespective of their status under the **Act** and the **Regulations**, are to adhere to the conditions of this Order.

#### Authorisation

By this Order, I authorise residential aged care facilities to obtain and possess or supply the Schedule 4 poisons entered in the **Register** and indicated for the treatment of SARS-CoV-2 in accordance with the Act, the Regulations and any other applicable Victorian or Commonwealth legislation, subject to the residential aged care facilities complying with the requirements of manufacturers' directions and Victorian requirements for the:

- i. authorisation of administration of a Schedule 4 poison by a medical practitioner or nurse practitioner registered under the **Health Practitioner Regulation National Law** in accordance with the Act and the Regulations;
- ii. administration of the Schedule 4 poisons by a person registered under the **Health Practitioner Regulation National Law** and authorised under the Act and the Regulations;
- iii. safe and secure storage of the Schedule 4 poisons in accordance with the Act and the Regulations;
- iv. making and retention of records in relation to the Schedule 4 poisons in accordance with the Act and the Regulations;
- v. storage of temperature-sensitive Schedule 4 poisons and cold chain management; and
- vi. disposal of unused, unwanted, or expired Schedule 4 poisons in accordance with the Act and the Regulations.

As part of this Order, the residential aged care facilities must comply with any reasonable direction given by the Victorian Department of Health or Australian Government Department of Health for the purposes of compliance with the conditions of this Order.
