## Electoral Regulations 2022

### TEMPORARY ACCESS TO ELECTRONIC ASSISTED VOTING FLOOD-AFFECTED ELECTORS

#### Notice of the Making of a Determination

I, Warwick Gately AM, Electoral Commissioner for the State of Victoria, by delegation of the Victorian Electoral Commission (VEC), have made a determination on 12 November 2022 pursuant to Regulation 51A(3) of the Electoral Regulations 2022 (the Regulations) to enable electors affected by floods occurring in Victoria on and after 13 October 2022 to access electronic assisted voting during the period from 19 November 2022 to 26 November 2022.

The determination is made for the following reasons:

- After consultation with the Emergency Management Commissioner, required under Regulation 51A(5) of the Regulations, the VEC has formed a view that the floods have or will have a significant impact to affected places and electors located in affected places specified by the determination.
- Because of the floods, electors located in the affected places may be unable to attend or travel to an early voting centre or an election day voting centre to vote on one or more days during the applicable period.

The determination is available for public inspection on the VEC website ([vec.vic.gov.au](http://vec.vic.gov.au)).
