No. S 666 Thursday 1 December 2022
By Authority of Victorian Government Printer

Gas Industry Act 2001

1ST ENERGY PTY LTD ABN 71 604 999 706

The following sets out Standing Offer Tariffs to Domestic (Residential) and Small Business customers pursuant to sections 42 and 46 of the **Gas Industry Act 2001** effective from 1 January 2023 until such time that the tariffs are varied. The weighted average revenue variation for 1st Energy standing offer gas customers is an increase of 36.5% for residential, and an increase of 36.8% for small business. These Standing Offer Tariff increases are primarily due to increases in wholesale costs, as well as increased costs associated with the Victorian Energy Upgrades program and CPI.

Victorian Standing Offer Tariffs – Gas

Pursuant to sections 42 and 46 of the **Gas Industry Act 2001**, Momentum Energy Pty Ltd ABN 42 100 569 159 (Momentum) advises the following Victorian Gas Standing Offer Tariffs to residential and small business customers become effective 1 January 2023, until such time as the tariffs are varied. The weighted average tariff variation for affected gas customers is a 29.1% increase. The variation is due to changes in the costs associated with retailing gas to homes and businesses, including wholesale, network and environmental costs.
