## PRIVATE ADVERTISEMENTS

### PUBLIC NOTICE

#### Proposed Lease of Walwa Riverside Caravan Park

Walwa Tourist Park Incorporated (Committee) a Committee of Management pursuant to section 14(2) of the **Crown Land (Reserves) Act 1978**, in respect of the Crown land premises, gives notice of its intention to enter into a 21-year lease with HSC & KPC Pty Ltd (Walwa Riverside Caravan Park).

The premises is contained in part of Crown Allotment 2001 and 2006, Parish of Walwa, and is known as the Walwa Riverside Caravan Park.

The Committee, in consultation with the Department of Energy, Environment and Climate Action, has given consideration to renegotiating the existing lease held by the current tenant HSC & KPC Pty Ltd, expiring on 1 January 2027.

Due to the unforeseen circumstances of the 2019–20 bushfires, COVID-19 and recent flooding, which has caused significant impact on the operator's ability to generate revenue and resulted in the reinvestment of capital works by the tenant, it is proposed to offer the existing tenant a new 21-year lease.

The purpose of this lease will be for the management and operation of the Walwa Riverside Caravan Park for a term of 21 years with maintenance and improvement works being the responsibility of the tenant.

Any person may make a comment on the proposal by close of business on 24 May 2023.

**Subordinate Legislation Act 1994****NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT****Proposed Gender Equality Amendment Regulations 2023**

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994**, that a Regulatory Impact Statement (RIS) has been prepared in relation to the proposed Gender Equality Amendment Regulations 2023 (the proposed Regulations).

The proposed Regulations aim to support the objectives of the **Gender Equality Act 2020** (‘the Act’) and to ensure the Public Sector Gender Equality Commissioner (Commissioner) is able to effectively carry out their functions under the Act. The proposed Regulations are to be made under section 54 of the Act, are intended to commence on 1 July 2023, and are intended to amend the Gender Equality Regulations 2020 to prescribe:

- the collection, comparison and submission of information relating to the workplace gender equality indicators (WGEI Information) as the method for progress reporting under section 19(3)(c)(i) of the Act;

- a requirement for defined entities to submit progress reports under section 19 of the Act in the format approved and published by the Commissioner on their website; and
- existing regional libraries (Library Corporations) as defined entities and designated bodies under the Act.

The RIS assesses three regulatory options as follows:

- Option 1: Defined entities are required to collect and submit limited WGEI Information for the purpose of progress reporting and to submit progress reports in the format approved by the Commissioner.
- Option 2: Defined entities are required to submit detailed WGEI Information for the purpose of progress reporting and to submit progress reports in the format approved by the Commissioner; Library Corporations are prescribed as ‘defined entities’ and ‘designated bodies’ under the Act.
- Option 3: Defined entities are required to submit detailed WGEI Information, including intersectionality information, for the purpose of progress reporting; Library Corporations are prescribed as ‘defined entities’ and ‘designated bodies’ under the Act.

The RIS examines the costs and benefits of all three options and concludes that the proposed Regulations which give effect to Option 2 are the most efficient method of achieving the objectives mentioned above.

### **RIS and Submissions**
