## Gas Industry Act 2001

ABN 41 154 914 075

### Victorian Standing Offer Tariffs – Gas

The following set out the Standing Offer Tariffs to residential and small business customers in accordance with section 42 of the **Gas Industry Act 2001** effective 16 February 2023, until such time as the tariffs are varied.

The weighted average tariff variation for Powershop’s Standing Offer gas customers is an increase of 64.67% for residential customers, and an increase of 51.48% for small business customers. The main reason for Victorian Gas Standing Offer variation of tariffs is the change of underlying wholesale and network costs.
